World Series to be Shown In Cameron Theater

The World Series for 1920 will be played in Cameron.

Contract was received this morning from New York for the signature of a body of local fans to insure shipment and installation of the famous electric score board in the new theatre of the Texas Photo Play Association. The contract has been signed and shipment instructed by the local executive committee in charge of the details.

The world series—the most widely cherished sport event of the world will be brought to Cameron and citizens for the first time will sit in a local theater and witness the games play by play as flashed over the wire from the press boxes of the parks in the East.

The installation of the board here means an advantage to local people which hertofore has been enjoyed by patrons in the largest cities of Texas. It is a distinct progressive step for Cameron and the men who have underwritten the contract for $500 deserve much credit for this pioneer move to get something big and really worth while for Cameron.

Details for handling the world series were discussed at a meeting held Monday in the office of Penn Wolf, district clerk. B. P. Atkinson was elected chairman of the executive and advertising committee. Ed L. Tucker was elected secretary and treasurer. Both are among the five guarantors of the funds necessary for the series. A wire was sent from the meeting by B. B. Pope to close up finally on the contract for the series. Mr. Pope received the contract in duplicate this morning.

Season tickets for $5 will be on sale in Cameron in a day or two. Admission will be $1 for each game to those who do not buy season tickets. A charge of 50 cents will be made for children under a specified age. Tickets will also be placed on sale throughout the county. The Texas Photo Play Association has given free use of its new theater here which is expected to be in operation by October 1.

The electric board used to portray the game will show each play and the individual diamond star who plays that position. The every movement and play of the men are shown and the game will be as realistic as the genius of the inventor has perfected this the most celebrated electrical equipment in the world.

The board will be shipped from New York by express. An exclusive leased wire service has been secured so that as soon as the game is started it will be seen in Cameron. First will come the flash of the battery—then the big thrill as the "ump" through his wicker calls the big game. A deft touch of the key and the wire runs hot with the biggest news event of the day. Some favorite cloutsman is up—there is a breathless moment—then the flash! Will it be over the bleachers?

You can all but hear the crash and roar of the fans as they chant their battle cry for the favorite clubs. Before the call of the newsboys is heard on the streets of the cities Cameron will know the results of the game.

Get your ticket today and see the master sport event of the world. It is something big for Cameron.

CONSTRUCTION IS AUTHORIZED FOR NEW PHOTO HOUSE

SAM HEFLEY, WONDERLAND OWNER, TO ERECT MODERN NEW PLAY HOUSE HERE

Construction work has been authorized by Sam Hefley, owner of the Wonderland Theater in Cameron, for the erection of a modern new photo play house in Cameron.

The announcement of this new project was carried in the Herald more than a month ago at which time Mr. Hefley made his decision to fit out the new play house. The new show will occupy the building now housing the Avera & Read drug store and the Cammer tailor shop.

Mr. Hefley expects to begin operation on the new play house in a short time. It will be modern in every resepect. The interior will be arranged so as to accommodate both a lower and upper floor. New seats will be installed and the entrance changed to make a modern lobby and booth.

Mr. Hefley will continue to operate the Wonderland, thus giving Cameron three picture shows. The new theater will be equipped with the most modern picture machines available with new screen and electric fans and a modern lighting system. Music will also be installed to equal the equipment of the show.

MEXICAN IS SHOT IN PISTOL DUEL WITH OFFICERS

OPENS FIRE ON SHERIFF BLAYLOCK AND CONSTABLE SENS WHILE TRYING TO ESCAPE ARREST

Phillip Lopez, Mexican, is in the county jail here with three bullet wounds as a result of a gun fight Saturday which developed with Sheriff L. L. Blaylock and Constable Charles Sens when the Mexican resisted arrest and ran from the officers, opening fire as he made an attempt to escape across a vacant lot in the western part of the city.

Lopez is being held on a criminal charge for an act committed near Maysfield late last week. Local officers were notified and search was begun. Constable Chas. Sens made a search in the Mexican district but at first without result. He then returned to Sheriff Blaylock and both began the search.

The Mexican was discovered in a barber shop and when the officers closed on him was preparing to shave himself and holding a razor in his right hand. He escaped through the rear entrance of the shop into a vacant lot and after a few steps out drew his pistol and began firing at Constable Sens and Sheriff Blaylock. The sheriff returned the fire. The Mexican continued to fire until hit by the officers and finding himself in such close range of their guns dropped his pistol and surrendered.

The Mexican was shot in the right leg, right arm and left hand. The wound in the left hand is the most serious, the other wounds being only flesh wounds. The Mexican carried a 38 calibre Colt's revolver on a 45 frame. After his arrest 37 cartridges were taken with his gun.

WORK ON MONDRIK BUILDING IS PROGRESSING RAPIDLY

Work on the store building being erected by Mondrik brothers near the dry goods firm of J. P. Werner & Company is progressing rapidly and will be ready for occupancy in a short time. This building is being erected from material from the old Germania hall purchased by Mondrik brothers and will be occupied by A. J. Matocha & Company.

The A. J. Matocha business was destroyed by fire early in May. Since that time the business has been operated in a small building near the site.

BANKERS ORGANIZE ASSOCIATION IN MILAM COUNTY

A. N. GREEN HEADS ORGANIZATION WITH L. T. LEWIS SECTARY.—THIRTEEN MEMBERS

A Milam County Bankers' Association has been organized in Cameron with A. N. Green, President of the First National Bank as President and L. T. Lewis. Cashier of the Citizens National Bank of ameron as Secretary

The meeting at which the organization was perfected was held in Cameron and representation was had from the thirteen banks of Milam county. Considerable time was devoted to the discussion of the cotton situation and a provision of the membership in the Milam County Bankers' Association is that each bank has a membership in the American Cotton Association.

Recently Cameron bankers attended the meeting of the cotton conference in Dallas at which time these were discussed and the organization in this county is the outgrowth of the matter.

The association will be active in aiding the farmer in marketing cotton in this county. The association will carry out the recommendations of the Dallas conference to adhere to a gradual marketing of cotton thus stimulating the market so better prices can be obtained. The association raised $1300 or $100 from each of the thirteen banks as part of the organization plan.

In addition to the benefits to be derived from the membership in the American Cotton Association because of its assistance in aiding local farmers the bankers of Milam county will use their organization to become more closely associated and to better work out their problems.

PLOW MAN HERE TO AID IN TRACTOR DEMONSTRATIONS

CHAMBERS-HEFLEY MOTOR CO. BEGINS DRIVE TO MOTORIZE MILAM COUNTY FARMS

A series of farm plow demonstrations were held this week on farms near Ben Arnold under the direction of the Chambers-Hefley Motor Company.

J. C. Hostetler, representing the Oliver-Chill Plow Company has been here for several days and had charge of the demonstrations of the plows, a special farm inmplement made for tractors. The demonstrations were held by the means of a Fordson tractor for which the Chambers-Hefley Motor Company is dealer in this territory.

A great deal of interest is being taken in the demonstration work in this section and the local company plans to keep up the showings and will begin in a few days to hold tractor demonstrations.

The company has assigned two men to handle the campaign in a short time.

COTTON SELLING IS BIG PROBLEM IN SAYS U. S. CLASSER

GOVERNMENT OFFERS SOLUTION IF FARMERS WILL ADHEAR TO ORGANIZATION

Cotton marketing is the biggest problem that confronts the Southern farmer today. As long as the chief problem with which we will have to deal with. Cotton today is the only community raised article which is sold in a haphazard manner.

There has been many remedies suggested and tried but all in a measure have accomplished little betterment from the producers' standpoint. The average cotton farmer who toils throughout the year making his crop and when ready for the market takes it there without knowing anything about the value of the bale he has spent time and money to produce. Should such a condition exist? Of course it should not.

With the marketing facilities which the U. S. Department of Agriculture, A. & M. College of Texas co-operating have established all over Texas in the form of cotton classing stations which are filled by competent cotton classers whose duties are to inform the farmer as to his grade and staple and the benefit of his knowledge as to the value thereof and assistance in selling same. Co-operation ist the best asset anybody of men in any community can give in disposing of their products. Co-operation among farmers in selling cotton is the logical remedy to remove most of the obsticles that stand in the way of the porducers getting what he is entitled to for his crop. So it is for the farmers of Milam County to co-operate with one another and all co-operate with the cotton classer and obtain results that will surprise them.

By bunching small lots into large ones then have it classed by a Government classer the best prices will be obtainable. The Cameron office has classed cotton so far this season from Holland, Bartlett, Hearne and Rockdale. The farmers who have taken advantage of the Classing Station are loud in their praise of the results they have received. They declare it has been the means of saving many dollars to the farmers of the county. So take your cotton to the classing station and reap the benefits which the service is sure to give you. The local receipts for Cameron for the week ending September 14 was 1800 bales. The classing station has classed approximately 110 bales. Mr. Depew, the classer, extends a welcome and desires to meet all the farmers in the county and his office, which is conveniently located on the court house square.

WEEMS HOME IS BURNED MONDAY

Fire completely destroyed the home of Melvin Weems Monday morning about ten o'clock. The Weems home was located in the eastern part of the city and out of range of the fire plugs and it was impossible for the firemen to do effective work.

It was estimated by Fire Chief Thomas that the total loss will be from $5000 to $7000. Nothing was saved from the home. The fire was started from kerosene oil ignited when Mrs. Weems after having mopped the floor where the children had overturned a can of oil, touched the match to burn away the remaining stain. The home was soon enveloped in flames despite the heroic effort of Mrs. Weems to extinguish the fire.

The fire department made an effort to assist but being unable to connect with the water mains was rendered helpless. The house was quickly burned but efforts by citizens and firemen saved the adjoining residences.

SAFEGUARD BALLOT; EQUALIZE SUFFRAGE

Austin, Sept 15.—The Texas Legislature was called to convene in special session at 11 o'clock. Sept. 21, by Governor Hobby today.

The Governor stated that he had called the Legislature to "give consideration to the subject of safeguarding the general election of November, 1920; to prescribe qualifications for voters; to prevent discrimination among voters in the exercise of the franchise at said election.

"Two—To consider and act upon such other matters as may hereafter be presented, pursuant to Section 10, Article 3, of the Constitution of the State of Texas."

Hobby's Recommendation

The Governor said in a statement accompanying the proclamation:

"I shall urge the Legislature to pass a law giving all those who have not paid poll taxes, fifteen days in which to pay a fee or tax equal to the poll tax, which those voters who have previously qualified have paid, in order to qualify for voting in the November election. I shall further urge that all the funds derived by the State from the collection of such fee shall go to the available school fund. Under this plan, all voters will vote in the November election on an equal basis."

To Equalize Situation

Another portion of the Governo's statement said:

"I accept the Attorney General's interpretation of the Nineteenth Amendment as applied to the next general election of Texas. I therefore convene the Legislature because in my judgment it creates an emergency which can be dealt with only by immediate action on the part of the State's legislative authority. . . . Without legislative action the opportunity is afforded for fraudulent voting, though to what extent can only be a guess. Whether there is danger of repeaters and the casting of fraudulent votes at such an election to change the result does not alter the situation. The advisability of such a thing should be avoided by statute."

"But there is a higher consideration than these which makes action necessary. There are about 750,000 persons in Texas, men and women, who qualified themselves to vote in the November election by paying poll taxes or obtaining exemption certificates. There are at least 2,500,000 men and women of voting age in Texas. Under the construction given the Nineteenth Amendment by the Attorney General, all of these will be permitted to vote regardless of whether they have or have not paid a poll tax. This should be avoided, because it is unfair. Even though this situation is due to circumstances beyond the control of Texas, it would be discrimination just the same to hold an election at which 750,000 persons have been required to pay a poll tax of $1.75 in order to exercise the suffrage franchise, while it is possible for 1,750,000 to vote without the payment of an equal amount."

COTTON PRICE IS FIXED AT 48 CENTS

FARMERS CLAIM COST OF PRODUCTION IS 46 CENTS A POUND

Austin, Texas, Sept. 9.—The State Farmers' Institute today adopted the committee's report recommending that forty-eight cents be the minimum price at which this year's Texas cotton crop should be sold. It found that the average cost of production was forty-six cents per pound and added two cents for profit. The statement given out says:

"The recommendation was based upon the average cost figures reported by the farmers and the United States Government estimate of 176 pounds as the average per acre yield for the South of the 1920 cotton crop. And in view of the recent reports of insect damage to the crop in the north half of Texas, the indications are that the Government estimate will have to be revised downward."

There were a number of speeches today on farmers' work and crop matters together with problems of the farms and farmers.

First Assistant and Acting Attorney General Walter A. Keeling, who handles anti-trust matters in the department, addressed the institute today. He devoted some time to the present price of cotton seed, saying the Attorney General's Department have a thorough investigation under way and that where violations of the anti-trust law are detected prosecutions will follow. He said there was no good reason why seed sold for $70 per ten last year and $23 this year, and that the department is going to bend every effort to ascertain the cost and take adequate action.

Judge Keeling urged the members present to return to their homes and start a campaign to have their legislators support legislation which will entirely separate the ownership of cotton mills and cotton gins. He said that was one of the evils of the situation and as a factor in bearing down the price of cotton seed.

George B. Terrell, nominee for State Commissioner of Agriculture, will recommend that the next Legislature provide for the creation of a permanent committee to fix the price of cotton which he says is imperative to protect the farmers of the State. It should be composed of business men, bankers, farmers and representatives from the A. & M. College and State Department of Agriculture, says Mr. Terrell. This committee, he explained, would compile data showing the average cost of raising the cotton crop of each year and fix a fair price for the sale of the staple.

Mr. Terrell said that he will endeavor to work in conjunction with the Extension Department of the A. & College to the end that there will be no duplication of effort.

TO SELECT MEETING PLACE FOR THE TEXAS EDITORS

Rockdale, Tex., Sept. 11.—Editor John E . Cooke of the Rockdale Reporter, as president of the Texas Press association, has issued a call for a meeting of the executive committee of that body to be held at the Adolphus hotel in Dallas at 3:30 p. m., Sunday Oct. 17. The purpose of the meeting is primarily to select the place for holding the forty-second annual convention of the Texas Press association next summer, setting the dates for said convention and for the transaction of such other business as may properly come before the meeting.

At the forty-first annual meeting, held in Houston last June, on account of lack of time, the convention adjourned without selecting the next meeting place and passed that duty on to the executive committee. In the meantime a sharp rivalry has developed among a number of Texas cities for the honor of entertaining the editors next year. Among the contestants are Galveston, Waco, McAllen, Wichita Falls and Big Springs, with possibly others yet to be heard from. Representatives from all points asking for the next convention have been notified of the meeting of the committee and are expected to be present to urge their claims.

DEATH CLAIMS A NOBLE MILANO YOUTH OF 15 YEARS

Daniel L. Newman, son of Mr. and Mrs. L. Newman, died Sunday morning at 5 o'clock after a critical illness of about two weeks. His death was a shock of all Milano and it was another sad day of passing events. Dan, as we all knew him, was 15 years and 9 months of age, just entering upon life's threshold with a good footing. He was one of our growing young boys who had learned the right from wrong and he was always awarded the praise of all who knew him that he was an example for a good boy. Thus his departure from earthly life is not only very sad to the family, but to all who knew him. It seems deplorable for such a young life to depart from our midst, but to Dan we are assured it is most glorious, for such is the promise given the rigteous. Burial took place Sunday afternoon at 5:30 o'clock at the Milano cemetery amid the presence of a multitude of people, all of whom had known Dan and were his friends. Rev. J. W. Roeber, pastor of the Nazarene Church conducted the obsequies and delivered a beautiful tribute of the young man's life. The community sympathizes with the family, for we all realize that Dan's absence will be sadly missed here in Milano and his absence is hard to realize.—Milano Gazette.

FIREWORKS DISPLAY AT COTTON PALACE TO PLEASE TEXANS

"Night in Hawaii" Will Be Staged at Cost of $1,000 a Night

Everybody is impressed with fireworks.

That's one of the reasons why every individual who attends the Texas Cotton Palace, Waco, Oct. 30 to Nov. 14, this year will enjoy themselves.

Engaged as an added attraction at the expense of a thousand dollars a night a pyrotechnic masterpiece will be presented with a wealth of magnificent scenic equipment, gorgeous costumes, light effects and music. This safe and sane feature is beyond question the most sumptuous and sensational production hitherto attempted in the pyro-dramaturgic field.

The world-famous company, the Gordon Fireworks, has this year excelled his previous efforts a hundred fold, for "Hawaiian Nights" with its splendid ballet, ensemble dances, rythmic music, the scintillating electric fountain, the surf riders at play and the stupendous spectacle of the eruption of Mauna Loa is beyond question the most striking exposition of pyrotechnic art ever offered the American public.

Ready for Livestock

New barns are ready for the blooded livestock that will be shipped to the Texas Cotton Palace, Waco, Oct. 30 to Nov. 14 this year. The premium list has been greatly increased.

Everybody Is Going

Reports from all parts of Central, East and West Texas are that the crowd at the Texas Cotton Palace, Waco, Oct. 30 to Nov. 14 this year will be larger than ever before.

Red Poll Cattle

Owners of Red Poll cattle will find premiums of value in the catalogue of the Texas Cotton Palace, Waco, Oct. 30 to Nov. 14. Write to the secretary for your issue.

THE HOUSE OF PAIN

I am no stranger in the house of pain;
I am familiar with its every part,
From the low stile, even up the crooked lane
To the darkened doorway, intimate to my heart.
Here did I sit with Grief and eat his bread.
Here was I welcomed as mifortune's guest,
And there's no room but where I've laid my head
On Misery's accommodating breast.
So, Sorrow, does my knocking rouse you up?
Open the door, old mother; it is I.
Bring Grief's good goblet out, the sad, sweet cup;
Fill it with wine of silence, strong and dry,
For I've a story to amuse your ears,
Of youth and hope, of middle age and tears.

To Be or Not to Be.

I'd rather be a Could Be
If I could not be an Are,
For a Could Be is a Maybe
With a chance of touching par.
I'd rather be a Has Been
Than a Might Have Been by far;
For a Might Have Been has never been,
But a Has was once an Are.

A. NUTT

From the MAIL BOX

Editor Cameron Herald,
Dear Sir:

I am enclosing with this communication to your valuable paper editorial comment "The Last of the Democrats," by the Austin Statesman on the fight made by Mr. Bailey for the Democratic nomination for Governor which I desire shall be given space:

Your very truly,
W. T. HEFLEY.

As Brutus lives in history as the last of the Romans and Rienzi as the Last Tribune of the People, so will Joseph Weldon Bailey be remembered as the Last of the Democrats. In suffering the one defeat of his career he gains a higher distinction than all his victories had won him.

"Senator Bailey," says the International Encyclopedia—surely an impartial authority—"gained a reputation as one of the most conspicuous and picturesque figures in the Senate and as one of the most eloquently persuasive orators ever a member of that body. * * * A deep student of constitutional law, he was particularly opposed to 'free' interpretations of the Constitution."

Other impartial works ranks him with the ablest men who have sat in the American Congress, and one of his colleagues has called him the greatest Democrat since John C. Calhoun.

But, to whatever fame he was entitled by reason of his eloquence, his profundity, his rapid advancement to political leadership, Senator Bailey, until he entered the contest lately closely, shared his honors with others. He was but "one of" the great Senators; "one of" the great orators; "one of" the great lawyers. His new dignity is his alone, without co-rival or fellow.

It was argued against Bailey that he was out of line with other Democratic leaders; that he was "old-fashioned;" that he did not approve the policies followed by his party for a considerable term of years. In making these arguments, his adversaries spoke truly. Bailey, among Democratic leaders, was as lone as Ahithophel among the counsellors of Absalom, as Cato among the Romans, as Demosthenes among the Athenians. He was the single counsellor whose wise counsel was rejected, the single pleader for preservation of the sound old doctrines whose plea was not heeded, the single orator who strove in vain to arouse his countrymen to approaching disasters. Those famous examples of ancient oratory the Philippies of Demosthenes and Cicero's denunciation of Catiline will live so long as men read books. Yet neither served its purpose. Demosthenes failed to save Athens and Cicero stayed but a moment the fall of the Roman Republic. The great orators struggled as Bailey did against tides which could not be stemmed. They, too, were "old-fashioned," and they, too, were right. The really sad thought evoked by Bailey's defeat is that, perhaps, the people no longer care for the principles which so long have kept them free and prosperous; that they have said farewell to the doctrines of the fathers, and the old Democracy is, truly, dead.

It may be argued—and it is argued even by some of Bailey's friends—that Senator Bailey made a mistake in attacking the policies of the National administration, in opposing Federal suffrage, in opposing Federal prohibition and in talking against "political preachers. But it was inevitable he should do so. Otherwise he would not have been the Last Democrat. He could have been silent on these matters, but by remaining silent he would have consented to the abandonment of those principles he sought to save. His only purpose in seeking office was to save them.

There are those, too, who think that Bailey should not have attempted to stem the tide of progressivism. We regret his defeat, but not his effort. As Demosthenes said after the disaster at Chacronea, it is better to have fought and lost than never to have undertaken a struggle in defense of our iberties. "It was ours to do our duty; the issue rested with the gods."

MOTHER SAYS BEST MEDICINE ON EARTH FOR CHILLS AND FEVER AND TEETHING CHILDREN

Cleburne, Johnson, Co., Texas, Aug 30, 1911.—Dr. J. C. Mendenhall, Evansville, Ind. "I have used your Mendenhall's Chill & Fever Tonic and find it the best remedy on earth for chills and fever and teething children. It will do all you claim for it and more. You may print this if you wish."—Mrs. M. B. Weaver. Guaranteed better than any other.

COTTON PALACE TO AID WOMEN SOLVE DOMESTIC PROBLEM

Labor-Saving Devices and Ways to Prepare Dishes Will Be Shown

Woman and her activities will reign parallel with the farmer and his interests, the music lover and his favorite classics, the social devotee and his functions at the Texas Cotton Palace, Waco, Oct. 30 to Nov. 14 this year.

Under the able direction of Mrs. Lee Davis, general chairman of the women's department, prominent women have been appointed to direct various departments of this important feature of the greater Texas Cotton Palace. Mrs. Davis predicts that never before will the women from adjacent towns and outlying rural sections find so many interesting exhibits and demonstrations.

"We want them all to come in and meet us and talk over their problems with us. We will have experts in domestic science who will be able to solve many problems for them," she says.

Canning Club Exhibits

Canning clubs will send exhibits and specimens in cooking. If your club has not entered an exhibit, you should urge it to do so, as it probably is proficient in some especial manner that will win warm praise for it at the Texas Cotton Palace.

Here's Vogue Feature

Still another new exhibition will be that displaying decorated tables, arrangement of tables of all description having become a vogue among artistic women. Tea tables, library tables, porch tables for decorative use, hall tables, bedside tables, invalid tables and others.

Specimens of cotton modeling this year will be replaced by another feature which will bring out the value of cotton and uphold the tradition of the Cotton Palace in regard to a display of Texas' principal product.

Woman and Her Use for Cotton

A woman's day in cotton is to be displayed, showing how a woman in the course of the day's work finds cotton products indispensable at every turn.

The Better Babies conference is another popular feature.

Another prominent affair is Children's Day, which will come early in the second week. Woman's Day is also being planned on a large scale.

Labor Saving Devices

An interesting display will be the display of labor saving devices, many of which have been placed on the market since the inauguration of the Cotton Palace.

A special showing of lamps and rugs is also being arranged. This will be in line with the arrangement of brasses and tapestries.

TOYLAND AT TEXAS COTTON PALACE WILL AMUSE ALL CHILDREN

So complete are arrangements to make this year's Texas Cotton Palace the most pleasing and successful that even entertainment for the children have been included in the plans. The big exposition opens in Waco, Oct. 30, and closes Nov. 14.

A complete new feature of the program this year, and one that is intended especially to please mothers who will bring small children with them will be "Toyland," an exhibition of toys arranged for the delight of youngsters. It is planned to display all the latest toys, especially mechanical and electrical and others. This department is, as it should be, under the direction of the women's committee.

What's The Cotton Palace?

The Texas Cotton Palace, Waco, Oct. 30 to Nov. 14, is the center of attraction to farmers and townspeople alike this fall. It will furnish instructive entertainment and profitable demonstrations that will help solve the problems of all—the farmer, housewife and business man.

REV. A. J. VALLERY MAKES STATEMENT

Says Tanlac Has Overcome His Troubles and He Feels Like a New Man

"I feel that it would be helping others to tell what Tanlac has done for me," said Rev. A. J. Vallery, living at 834 Chelsa Ave., Memphis, Tenn.

"About three years ago," he continued, "I had a general breakdown that made me very nervous. I had a sour stomach and would spit up undigested food. The pains in my stomach hurt so at times that I thought they would kill me. I also suffered with rheumatic pains in my joints and my kidneys were in so bad shape, my sleep was poor and I felt so tired all the time that I could not do my work.

"Since taking Tanlac I have been relieved of indigestion and those pains are all gone. My kidneys don't trouble me any, I am not nervous like I was and I can sleep fine every night. My strength and energy have been restored and I feel like a new man."

"Tanlac is sold in Cameron by New Cameron Drug Co., in Rockdale by Baldridge Bros., in Milano by E. C. Smith and in Burlington by the New Drug Store."

OAKDALE NEWS

By Mrs. S. Hause

There were several of our county teachers went to Belton last Monday to attend the Institute, and Saturday morning Mr. Homer Gunn of Ben Arnold motored up there in his Overland, and he and Miss Jane Nicholson went to the parsonage and were quietly married. They will go to Ben Arnold, where Mr. Gunn has a position in the bank, and she is prncipal of the High School at Ben Arnold. We of course regret for her to leave us but wish her and Homer all the happiness that is in store for them.

Mr. Thomas Batey took a load of pears from Mr. John Ford's last week and sold them out. He did so well that he got another load Friday. and went to try his luck once more.

There are some of our farmers who say that they will get their cotton out this month, but it is impossible to get pickers. Just their own families do the work.

Last Saturday Mrs. Roy Hawbaker came home to her parents, Mr. and Mrs. A. R. O'Neal. She has been off several months with her husband's parents at Tyler, and he is at Wichita Falls.

Mr. and Mrs. Victor Wimberley and son, Marshall of Prospect, spent the day Sunday with their friends, Mr. and Mrs. Sid Hause.

Misses Sophia and Helen Beckhusen of Rosebud spent Saturday night with their grandmother, Mrs. Ashenbeck. They went home Sunday evening, and Mrs. Matula and Marie Eisinger came with the Ashenbeck family to stay a little while. She has been very sick with typhoid fever at her parents' home. Her husband could not be with her as he lives in Dallas.

Mr. and Mrs. John Arledge had friends to come from near Rockdale in their car and spent the day with them.

Mr. Will Addison and wife came Saturday morning about four o'clock and returned home soon that morning with their children.

Mr. and Mrs. O'Neal and family with Mrs. Hawbaker of Prospect spent the day Sunday with the Enoch Fisher family near the Oakdale School house.

Mr. Sid Hause is tickled over his new buggy horse he got last first Monday.

Mr. Jim Sprauldin and Aunt Mrs. Whitworth of Liberty came by Sunday on their way to see relatives, Mr. and Mrs. Clyde Hensley.

Mrs. Leonard Steward and children came home from Mumford Saturday erwhere they had been to see her mother and sisters, Mrs. Belt and Mrs. Smith. She reports herm other getting on nicely.

Mrs. John Wilkerson and little son went Sunday morning to see her mother, Mrs. Hill near Cameron.

Master Ray Thompson was a Cameron visitor Saturday morning.

Mr. Marshall Garner was a Milano visitor Sunday.

Miss Maggie Ruby of Houston spent a part of last week with old time friends in Milano.

Miss Flora Woods of Somerville, one of the Milano teachers was in Milano Sunday on her way to Belton.

Mrs. Albert Martin and brother, Nugent Meadows, returned to their home at Dublin last Thursday after spending a while near Cedar Creek.

Mr. T. C. Woods and family of Cedar Creek has moved his family to Coleman county for another year.

Miss Ruth Burdick left last week for her home in Ardmore, Oklahoma, after spending a while with her old time friend, Mrs. G. W. Mullins.

W. K. Fisher of Dallas is spending a while with his parents, Mr. and. W. C. Fisher at Liberty.

Mrs. M. J. Dunworth and two daughters, Misses Lola and Lila, and son, Gillard, left Monday for their home in Morrison, Oklahoma, after spending a couple of weeks in Milano with old time friends.

Rev. R. C. Weir returned home to Milano from Mangum, Louisiana, where he had been conducting a revival meeting.

Miss Miller of Belton and her sister, Mrs. R. E. Erwin of Fort Sumner, New Mexico, spent a few days last week with their grandfather, Captain Bedell of Milano.

Mr. Ben Shafer and wife of San Antonio, came to Milano to attend the funreal of Dan Newman Sunday.

J. H. Thompson and Mr. Champ. Fisher took a nice little drove of beef cattle to Cameron one day last week.

Mr. John Ford had sold up to last Tuesday $90 dollars worth of pears, and later he sold a wagon load. We do not know just what he got for them.

ARREST AT UVALDE ON BANK ROBBERY CHARGE

Uvalde, Texas, Sept. 180.—Pierre Guyson, familiarly known as "Pete," for two or three years a resident of Uvalde, was arrested at 4 o'clock this this morning just as he was entering his house and is charged with being the lone bandit who robbed the State Bank of Uvalde of $6,185 on last Wednesday morning. Guyson was arrested by Sheriff G. N. Johnson and his deputies, Haygood and Perkins.

Sheriff Johnson of Uvalde County announced shortly before midnight that he had recovered the entire amount of $6,185 taken from the bank.

You Do More Work,

You are more ambitious and you get more enjoyment out of everything when your blood is in good condition. Impurities in the blood have a very depressing effect on the system, causing weakness, laziness, nervousness and sickness.

GROVE'S TASTELESS Chill TONIC restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

GROVE'S TASTELESS Chill TONIC is not a patent medicine, it is simply IRON and QUININE suspended in Syrup. So pleasant even children like it. The blood needs Quinine to Purify it and IRON to Enrich it. These reliable tonic properties never fail to drive out impurities in the blood.

The Strength-Creating Power of GROVE'S TASTELESS Chill TONIC has made it the favorite tonic in thousands of homes. More than thirty-five years ago, folks would ride a long distance to get GROVE'S TASTELESS Chill TONIC when a member of their family had Malaria or needed a body-building, strength-giving tonic. The formula is just the same today, and you can get it from any drug store. 60c per bottle.

FORDSON
FARM TRACTOR

The Fordson cuts the cost of preparing land almost to half of what it cost with horses. But even more important is the fact that the Fordson saves from thirty to fifty per cent of the farmer's time. And time saved—getting fields in shape to plant in the proper season; getting things done when they should be done—means money to the farmer. Besides it helps greatly in solving the labor problem.

As ever, the machine way is proving more efficient, faster, easier than the old way. In the factory, the machine increases production, saves labor—produces more at less cost. And that is what the Fordson does on the farm. The Fordson way is the machine way of farming. Besides it helps the labor problem.

The Fordson's first cost is low; and the after or operating cost is low. It is a compact, easily handled tractor, backed by the greatest tractor service organizaion in the world.

We are Fordson dealers. Not only do we sell Fordson tractors, but we carry a stock of Fordson parts and employ Fordson mechanics to help the farmers get the best results from the Fordson. Let us demonstrate the Fordson on your own farm.

Bold Bandit Who Robbed Bank at Graham Captured; Tells Lurid Tale of Flight From the Law

A confession of his participation in the daylight robbery of the Guaranty State Bank at Graham on Sept 2 in which approximately $7,000 in Leberty Bonds and Currency was stolen by three armed bandits after locking officials and customers in the vault, was made by C. C. Mims, Fort Worth service car driver, at Eastland Friday.

Mims' confession followed twenty-four hours of almost continuous grilling at the hands of Eastland County officials, who were later reinforced by Police Chief Porter and Detective Charles Traxler of Fort Worth.

During the major portion of it, the youthful bandit maintained a stoical silence. But first Friday morning he admitted his identity as Mims. Later he consented to tell all that he knew about the "sticking up" of a poker game at Ranger on Sept. 9, and the similar treatment of the Oklahoma Cabaret there on the same day.

In a running pistol duel between Mims and his confederate, said to have been Roger Thompson of Mexia, and Detective John Barnes of Ranger, the latter was wounded in the face and foot. Mims and his companion were later surrounded in a rooming house and taken prisoner.

Wouldn't Be Squealors

But it was only when he was assured that every precaution had been taken by the authorities against possible mob violence, and that, if necessary, he would be taken to Fort Worth for safe keeping he could be induced to talk of the Graham robbery.

"I've never been a squealer and I don't want to begin now," he demurred, time and again." "I don't deny that I was in the Graham affair, and I don't want to say anything more about it."

In the meantime, however, a fairly complete implication of him had been secured from Mrs. Lily Ella Hamilton, 821 St. Louis Avenue, Fort Worth, arrested with her husband, Dan Hamilton, in connection with the first Ranger hold-up. Mrs. Hamilton told the officers of conversations she had heard between Mims and others, both in Fort Worth and in Ranger, concerning the bank robbery.

"Charley, we've got the goods on you," Traxler finally told Mims. "We know that you pulled off that Graham business. You might as well make a clean breast of it."

This he finally agreed to do, provided he was taken to Fort Worth Friday night and his attorney's consent to his statement obtained. This was secured and Mims then proceeded to narrate the details of the affair.

Job Had Worried Him

"I want to get it off my chest. It's been bothering me all along," he stated. "I guess it means the end of things for me, but I am going to tell anyway."

"It's the best way, Charley," Traxler replied. "You are only 22 years old and there is a chance for you to make a new start provided you really want to and are willing to be fair with us."

"I want to do that," he said simply.

His statement was reduced to writing and later signed by him in the presence of Sheriff Lawrence of Eastland County and Traxler. It is as follows:

"My name is Charley Mims. I live in Fort Worth. On July 25, 1920, I was in Breckenridge and two men came to me and proposed that we rob the Graham bank. I had never seen them before. A little fellow by the name of Frank or Paul introduced them to me. We got in a car and drove out in the country and talked it over. Two or three days after that we drove to Graham and spent the evening and night in Graham and the next day we all three went to the bank—these two men went in first and told me to follow, and I did.

"We covered the people in the bank with pistols, forced them in the vault and closed the door. We got about $3,000 out of the bank in silver, pennies currency and Liberty Bonds. We drove the car about eleven miles and left it and went over the mountains and crossed the Brazos River. We threw some of the silver and pennies away. We then went to some little town about twenty miles out of Graham and I went up and got something to smoke and some eats. The big fellow got a Ford there and went from there to Ranger.

"I quit them there and they went on through Wichita Falls. I got into Fort Worth in the afternoon and had trouble there about 7 o'clock in which I shot a man. I made bond in a short while and spent the night with my father and mother.

"I came back to Ranger last Tuesday."

The confession was signed C. C. Mims. Later he declared the date July 25 was a mistake and that it should have been Aug. 25.

In accordance with the promise made him, Mims was brought to Fort Worth by Porter and Traxler Friday night. On the trip in, he was extremely nervous, especially when passing through Ranger. There was no demonstration against him in the oil town although he sat in plain view of the station crowds. His head was bandaged because of a severe cut received in the Ranger melee following his arrest and he wore no coat.

On the trip he frequently referred to both the Ranger and Graham escavades. His manner was very subdued and the spirit of bravado that has characterized his former appearances in the hands of the police was noticeably absent. No one would have picked him out as the man who has kept the authorities of a score of counties and cities on the alert for more than a week.

Forced to Swim

He declared that the Graham robbery had been pulled off with ease but insisted that the posse that followed him and his companions must have had bloodhounds in order to trail them so easily. Several times the fleeing men were in imminent danger of capture but that at last managed to elude their pursuers by swimming the Brazos River. Mims smiled several times as he narrated incidents of the flight.

"We could see the men in the automobiles following us all of the time. It would have been easy for us to have got some of them as we had high-power rifles. But we didn't want to hurt any of them. All we wanted to do was to get away with the money.

"Several times they almost caught up to us but we managed to keep ahead. Then we decided to leave the car as the chase was getting too hot for us. That was near the Brazos and when we got to the stream they were only a couple of hundred yards behind.

"The river was up, but it was either swim it or put up a fight, so we decided to chance it. First though we unloaded some of the silver and all the pennies we had with us. We couldn't have gotten across with them.

Loses Rifle in River

"I tried to make it with my rifle, but I had to let go of it and I sure thought I was going ta get drowned at that. We finally reached the other bank after going down stream a mile or so and from then on it was easy enough.

Mims declared positively that the total amount secured in the bank haul would not reach $6,000. He got a third as his share of the lot, he declared. He also stated that when they left Graham he and his companions did not have any definite destination.

"We were merely heading for the mountains where we knew we could lose ourselves," he said. "We were traveling by the stars as ye didn't know the directions. We got lost several times and once got back almost where we started from."

As Fort Worth was neared early Saturday morning, Mims became more downcast. He appeared to realize the seriousness of his position and several times remarked on it. Once, after stating that he was only 22 years of age, he declared as he gazed into the outside darkness:

"That isn't very old but I guess it's about all that is coming to me. The rest of my life isn't going to be much for me, I guess.

As he got off the train at Fort Worth early Saturday morning, his father stepped from another coach, having spent the day in Eastland out without seeing his son. As the prisoner left the depot the father walked up to him and silently grasped his hand. Leaning over he whispered something in his ear and then swiftly walked away.

After his arrival here, Mims was taken to the City Jail and placed in a cell. At police headquarters when asked if he had any further statement to make, he pondered for a few moments, and said:

"I'd like to say something but I don't know just how to say it," he finally remarked. "I know things look bad against me and I'm beginning to realize just what it means. Whisky was responsible for most of it. Go as lightly on me as you can in the newspapers.

Faces Three Charges in Eastland

Three charges were placed against Mims in Eastland, Friday. Two were for robbery with firearms and the other for assault with intent to kill. Robbery with firearms is punishable with death in Texas.

These, however, are only a part of his many troubles. At the time of his arrest for the Ranger holdups, he was out on bond here in two criminal cases. One of them is an appeal from his conviction for manslaughter at the April term of Criminal District Court for the killing of Ralph Fitzgerald last December. The jury assessed his punishment then at five years in the penitentiary. He is also under a $2,500 bond on a charge of assault with intent to kill in connection with the shooting of J.L. Robertson on Main Street last Saturday night. In addition to these he will probably face another charge of robbery with firearms in the Graham affair.

The Eastland County Grand Jury took up the case of Mims and the others arrested in Ranger, at its sesion Friday and indictments are expected eithr Saturday or Monday. Roger Thompson, arrested with Mims, is charged with in two cases of robbery with firearms and one as assault with intent to murder.

Dan Hamilton and his wife, Mrs. Lily Ella Hamilton, also held in the Eastland jail, are facing a charge of robbery with firearms. Mrs. Hamilton made a statement detailing her knowledge of both the Ranger and Graham affairs and is being held mainly as a material witness, it was stated. Mrs. Etta Moore, proprietress of the rooming house where all of the accused lived in Ranger, is also held as a witness as is Matthew Martin who was present at the poker game holdup.

Holdup Impromptu

Martin was recognized by Mims during the holdup and several hundred dollars taken from him was returned. It was this circumstance that led to his arrest. Mims declares, however, that Martin had no part in the affair. He also absolves Mrs. Moore and a Ranger detective, arrested there Friday, of any connection with it.

In discussing the second holdup, Mims declared that it was not a prearranged affair as was the first one.

"We were pretty drunk when we went to the place and we proceeded to get drunker after we got there," he said.

"I remember insisting on everybody having many drinks and then I have a hazy recollection of searching some people and taking their money," he said. "I don't know how much we got. I don't guess, at that, it was as much as we spent there. Then I remember having a shooting scrape with somebody but I don't believe I hit Barnes."

He declared, however, that the previous holdup had been carefully planned. He implicated four men besides himself. Two of them, named by him, have not as yet been arrested.

Two more Fort Worth men were taken to Eastland Friday night by city detectives. What connection they are supposed to have had with the case is not known.

Efforts to identify Mims as one of the "trio" that held up a poker session at the Waldorf Hotel in Dallas last week and secured $30,000 in currency and jewelry, failed Friday at Eastland. Two of the victims of the holdup saw Mims but declared he was not one of the trio.

"I didn't think you were the fellow but I thought you might know him," one of the Dallas men declared. "I know him personally. I have been befriending him for the past ten years and that's how he paid me back."

"That sure was a dirty trick now wasn't it?" Mims remarked with apparent feeling. "A guy that would do that is no good. I would never rob a friend of mine, not for anything."

About $7,000 in money and jewelry was selected by the bandits in their two raids at Ranger, it is estimated. Five thousand dollars of this was taken from the poker players in the first one. Close to $2,000 was recovered after the arrest of the suspects.

Needed Money for Trials

Mims attributed his sudden activities in the hodl-up line partly to his need of money owing to his Fort Worth legal difficulties. The expenses of his appeal from the Fitzgerald case conviction and his subsequent arrest in the Robertson case made it imperative for him to raise money immediately, he declared.

Fort Worth police authorities were especially gratified over Mims' confession. Since his arrest last Saturday when a large roll of bills of small denomination, similar to the money taken from the Graham bank, was found on him his connection with the case has been suspected. Mims' statement admitting this was secured by the efforts of Porter and Traxler after their arrival in Eastland Friday.

An active search for the accomplices named by him in both robberies is already under way. One of the men is well known in Fort Worth and has made his home here for years.

BLAYLOCK RESIGNS PASTORATE HERE

Becomes Evangelist at Fort Worth Seminary Is Man of Scope and Ability.

Rev. B. B. Blaylock, for nearly five years pastor of the Cameron Baptist church, has resigned the pastorate here and on October first will assume his new duties with the Southwestern Baptist Seminary at Fort Worth as an evangelist.

The resignation of Rev. Blaylock as pastor of the Baptist church in Cameron which was tendered the church at the regular service hour Sunday is accepted with reluctance in the part of the church and will be received with universal regret by all Cameron and Milam county.

After nearly five years of fruitful ministry in Cameron during which time his activites have embraced adjoining counties, his resignation will develop wide-spread loss to the religious life of Central Texas the section in which he has spent twenty-five years as pastor.

Rev. Mr. Blaylock came to Cameron from Rockdale five years ago and at that time an effort was made to secure his services as an evangelist with the Southwestern Baptist Seminary in Fort Worth. Evangelistic work has always appealed very strongly to him he obeyed the inspiration of a strong impulse to preach in Cameron and therefore accepted the pastorate here. His work in Cameron is exemplified in the universal esteem in which he is held by the church and the citizenship at large.

On assuming his new duties with the seminary in Fort Worth he will begin a revival meeting of all the Baptist churches in Fort Worth and with this responsible and gigantic task he will move out in his new program of work with all his characteristic vigor and ministerial genius.

The Rev. Mr. Blaylock as a pastor and evangelist now has claims to a wide distinction. His life has been more than that which belongs to the peculiar confines of the pulpit. He is eminently a citizen of progressive and constructive type and by this applicaton of his conception of public life and duty has pushed far into the realm of accomplishment and leaves a monument of things done in a big and lasting way.

Rev. Mr. Blaylock has enjoyed wide educational advantages but always at the cost of sacrifice and while endowed with a retentive memory and large capacity for learning he knows the exactions of the struggle for a place in the sun. To him the ministry has meant denial and self-sacrfice for in the business world he could have stood at the pinacle but the call came to preach and in following the plain path of duty the ministry claimed a man of scope, intellect and fine character. To him the ministry and evangelism to which he will now turn his heart and mind is the biggest job in the world and whatever accomplishment has adorned his work is stamped with vision and expansion.

Rev. Mr. Blaylock was born in North Carolina in 1872 and to him the Southland and her cherished traditions is the fairest domain of this republic. He came to Texas in January 1890. He was converted and licensed to preach in 1893.

He was married in January 1895 and ordained to preach in April 1896. He attended school for four years after his marriage, spending three years in Baylor University and Seminary.

His entire ministry has been spent in Milam, Bell and Williamson counties. He has been a pastor for twenty-five years but has done a great deal of evangelistical work in addition to his pastorate duties. Durng the twenty-five years he has held seven pastorates, two of them in Milam county in Rockdale and Cameron.

He has preached about 3000 times, has baptized about 2000 people and has had more than 3000 conversions under his ministry.

He will preach in Cameron until October first, when with his family he will move to Fort Worth. Already the Seminary is booking dates for him for meeting not a few of which are in other state. His career as an evangelist will be followed with interest and the people of Cameron and other places where he has lived will ever be prayerfully solicitous for continued success and usefulness.

REV. B. B. BLAYLOCK

Rev. B. B. Blaylock has been pastor of the Cameron Baptist church for the past five years. He has resigned the pastorate here to become an evangelist with headquarters in the Southwestern Baptist Seminary in Fort Worth. His resignation becomes effective October 1.

The friends of Mrs. Fox will be sorry to hear of her illness at her home.

Mr. Jesse Davis, son of Mrs. Lula K. Davis has returned home from West Columbia. His many friends are glad to see him.

Your visit to Howe's Great London Circus, Wednesday, Sept. 22 afternoon and evening in Cameron will not be complete without a tour of the colossal canvas equerry. Even though you are not a lover and admirer of blooded stock, it is claimed you will find an hour of genuine pleasure and much interest you inspecting the droves of horses and ponies. For the last year agents have been in different parts of the world making purchases for this department, with the result that today Howe's Great London Circus possess one of the largest most varied and costiest collection of representative members of the equine family, which wealth can procure, and it is doubtful if anywhere near the like ever has been exhibited before. Certainly never by any traveling shows. There are herds of powerful block Normans, sturdy western and Canadian drouths, coquetish Arabians English bred long distance, jumpers, fleet-footed Kentucky runners, wild speeding Roman chariot flyers, tiny Shetlands, Welch and native ponies and other high grade specimens of Earth's finest horseflesh, Ladies and children are particularly invited to visit this horse fair, which all may safely do without escort as uniformed and courteous attendants are always present to look after the welfare of callers.

Miss Cathleen Vurnram of Mississippi is in Cameron in the home of Dr. and Mrs. John Denson and will attend our school term.

Mrs. George H. Peets and little son, George, Jr., of Galveston, came in last Friday and will be in Cameron and vicinity for two weeks visjting relatives.

End Your Gate Troubles

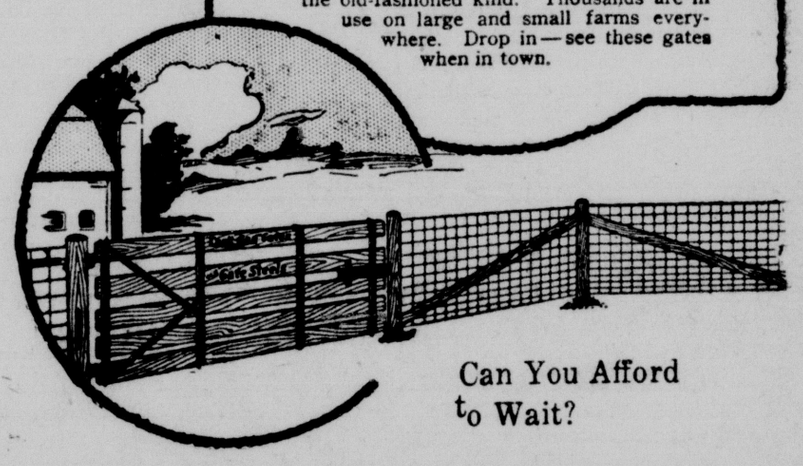

No more heavy, tumble-down, sagging wooden gates. No more bent and twisted gas-pipe gates. Put up "Can't-Sags"—made of an ideal combination of iron and steel bolted securely together—no screws or nails to pull out. When closed and latched, the "Can't Sag" Gate is securely locked at both ends—stock can't break through and destroy growing crops.

"Can't-Sag" Gates

Can't Sag a Fraction of an Inch

In order to sag even a quarter of an inch, 45 bolts and 8 pieces of angle steel would have to bend. You know that is impossible. Yet, this ideal gate costs less than the old-fashioned kind. Thousands are in use on large and small farms everywhere. Drop in—see these gates when in town.

AT THE CHURCHES

PREACHING AT TRACY

It is announced that preaching will be held in the Tracy Baptist Church Sunday, September 26 at 4 p. m. Everybody is invited to attend.

BAPTIST CHURCH ANNOUNCEMENTS

Services at the Baptist church next Sunday as usual. The pastor will speak both morning and evening. The public is cordially invited to all these services. Visitors especially invited.

B. B. BLAYLOCK, Pastor

FIRST METHODIST CHURCH

My subject Sunday morning will be "Faith in God." This is plain and straighforward without any frills and furbelows. It can be and has been clearly demonstrated that the social and economic fabric of the world is based primarily, not upon the written agreements or monitary ability that may exist of whatever form. but upon the faith or the confidence that we have in men. It will be our purpose to notice this fact briefly.

But I desire mainly to speak of the factor which faith in God is in our life. Is it a factor? If so, to what extent? When may a man be said to have faith in God? These and other similar questions will be considered. Every man in Cameron owes it to himself and to his country whether a member of the church or not, to give this subject earnest consideration. You are warmly invited to be present at eleven o'clock.

At the evening hour, 7:45, I will present the "Claims of the Ministry." I especially invite the young people of Cameron to hear this message.

IRA F. KEY.

EPISCOPAL CHURCH

Services will be held in the Episcopal Church Sunday morning at 11 o'clock. Everybody invited.

METHODIST CHURCH

Services will continue to be held in the Methodist church until construction has actually started on the new building. Some of the seats have been sold but enough has been retained for the main auditorium to accommodate the preaching services.

The hall formely leased by the American Legion has been rented by the church and services will be held there after the old church is torn down.

SCHOOL STARTS

By Lee R. Tag

School started last Monday. Some pupils were glad, some were mad and some were indifferent. I was numbered with the glad ones. I was glad glad because I could come in contact with the other boys.

Monday, the first day, we went and were assigned to our respective classes and got our books which the State furnished. They didn't furnish many because I had to buy a whole bunch of them. We had no lesson that day, but let me tell you the "Fish" got theirs.

I was sitting next to one in the room and whenever he tried to turn around he would raise up. I asked him the reason for such queer actions and he replied that he was sitting on fire all the time and that if he turned around without raising up he would be in h——l. I know the boys got their. I don't know about the girls. I am not especially rough on the weaker sex but I wish they had gotten theirs.

Tuesday was really the first day for honest-togoodness work. We got it too. It has always been the custom before this to make it easy the first day and hard in the middle, but this time they didn't do it. Maybe they will make it easy in the middle of the year. I hope so, anyway.

There are three new teachers in High School and so far as I know they are pretty good. Here's hoping they are.

The only thing that marred the serenity of the opening day was a fight between two grammar grade boys on the campus. But their differences were soon adjusted and went on as if nothing had happened.

If the Cam-Hi Weekly News does not come out this year you are missing some of the greatest literary products ever put out. Here's hoping that Volume three of the News will come out in full force next week.

The drug stores around town are doig a thriving business this week because the school children are buying their supplies.

The Henderson building across from the Auditorium Hotel is rapidly changing outside appearance. It will be the home of a new motion picture house owned by the Texas Photo Play Association.

Work is progressing rapidly on the C. H. Yoe High School Building and it is hoped by the contractors that it will be ready for occupation by November.

Last Sunday was the last Sunday that the members of the Cameron Methodist Church spent in the old church. Workmen are taking apart the seats, ready for shipment. In a few days the church proper will be torn down.

The new home of R. H. McIntosh is about ready for occupation. It will be one of the finest homes in Cameron.

The rubber companies report for the current year such an enormous increase in the demand for fabric shoe with rubber soles that their factories with a stimulated production greater than ever before are unable to cope with their orders. This great increase in business of this character is due to the improvement in style and quality and due also to the extreme cheapness of the product as compared with leather footwear.

One bit of fiction that has gained wide circulation isthat rubber sole shoes hurt the eyes. Where this fairy tale originated is doubtful, but it has persisted for many years. After exhaustive investigation it has been proved that there is no basis of truth for a thought of this kind.

Another stock argument that rubber sole shoes burn and draw the feet has been discounted. In the better grades of shoes of this kind a heavy fibre inner sole is used with a ground cork filling between the inner sole and the outer sole, thus gibing the same protection against burning as is found in the best made leather shoes. In the other grades a heavy felt or fabric combination inner sole is used.

SAN GABRIEL GOSSIP

By Mrs. J. S. Woody

San Gabriel 14th—Ideal weather for the autumn season has prevailed the past week and has indeed been a favor to the farmer.

Great headway has been made in the gathering of cotton and the Camp gin is kept busy until far into the night.

Yet there are many who have no hands for the large fields of the fleecy staple that adorns the hillsides and valleys—every direction we look.

Miss Mona Outlaw of Taylor spent Sunday at home here.

H. M. Camp was in Terrell a day last week.

Elbert Felton is in South Texas this week.

Miss Ella Yeager left Monday to take up her work as public health norse of Donley county.

Rev. Herndon of Taylor, accompanied by his wife, was with us Sunday evening. Rev. Herndon was requested by our people to deliver the "going away sermon to our girls and boys who leave immediately for college. His talk was impressive and splendid and appreciated by all.

Mrs. Herndon and Miss Mittye Lou Jones of Temple sang in the manner most charming the sweet hymn. "My Mother's Prayer Will Follow Me."

Mr. and Mrs. Arthur Scruggs, Mr. and Mrs. Sam Clement, Chas. Sallee and sister, J. B. Reeves and family, eand Adolph Taegle were here from Thorndale Sunday night.

Misses Hyde of Thorndale, were guests in the home of friends here Sunday.

J. D. Griffith and J. S. Woody are in Houston this week in quest of cotton pickers.

Felton Camp returned Monday from a search for hands in different points of State.

Little Miss Lucile Camp has been listed with our sick the past week.

Mr. and Mrs. Frank Smith of Taylor, were visitors in our village Sunday night.

Tom Davis of San Angelo is among relatives and friends here at present.

DeLeslie Richardson spent first of this week in Rockdale.

Max Greathouse of Rockdale came up Saturday to visit his sister here, Mrs. Lindsey.

Mr. and Mrs. Bradley of Rockdale, were guests of their daughter, Mrs. Lizzie Cast Sunday.

The Ladies' Aid of the San Gabriel Baptist Church held their social meeting Monday afternoon in the home of Mrs. Mary Richardson. The devotional was of great interest and the program much enjoyed by each member. Refreshments served, cream and cake.

Our village gin totaled 360 bales in its work last week and has ginned 950 bales for the seasan at the close of Saturday's output.

Floyd Goff, who is now working in Thorndale, spent the Sabbath here with his parents.

Miss SuElla Glasscock, who has just returned from her summer's visit to relatives in Indiana is looking very much improved from her trip.

Mr. and and Mrs. Harry Gamble are the happy parents of a new baby girl born Monday.

Mr. L. Goss was in Taplor Monday.

Dr. Lee was over from Thorndale Sunday.

Mesdames John Heisch, John Moore, Joe Stigall, Lizzie Cast, Tinny Lindsey. Edna Felton. Jno. Kulp were shopping in Thorndale Saturday.

Our village was entertained by a tent show Thursday and Friday nights.

Pains Were Terrific

Read how Mrs. Albert Gregory, of R. F. D. No. 1, Bluford, Ill., got rid of her ills. "During . . . I was awfully weak . . . My pains were terrific. I thought I would die. The bearing-down pains were actually so severe I could not stand the pressure of my hands on the lower part of my stomach . . . I simply felt as if life was for but a short time. My husband was worried . . . One evening, while reading the Birthday Almanac, he came across a case similar to mine, and went straight for some Cardui for me to try.

TAKE

CARDUI

The Woman's Tonic

"I took it faithfully and the results were immediate," adds Mrs. Gregory. "I continued to get better. all my ills left me, and I went through . . . with no further trouble. My baby was fat and strong, and myself—thank God—am once more hale and hearty, can walk miles, do my work, though 44 years old, feel like a new person. All I owe to Cardui." For many years Cardui has been found helpful in building up the system when run down by disorders peculiar to women.

COMMISSIONERS' COURT

The Commissioners' Court of Milam County, Texas, will convene in the ounty Court room in Cameron, Milam County, in regular session on Thursday and Friday of this month, September 16 and 17.

SHERIFF'S SALE

THE STATE OF TEXAS,
County of Milam.

By virtue of a certain execution issued out of the Honorable District Court of Milam County, on the 24th day of August, 19....., by Penn Wolf, Clerk of said Court against M. A. Johnson for the sum of Fifteen Hundred Eighty-six and 11-100 ($1586.11) Dollars and costs of suit, in cause No. 7790 in said Court, styled W. C. Phillips versus M. A. Johnson and placed in my hands for service, I, L. L. Blaylock, as Sheriff of Milam County, Texas, did, on the 4th day of September 1920 levy on certain Real Estate, situated in Milam County, described as follows, to-wit: Lot No. 3, in Block No. 3 of the Newton and Johnson Addition to the town of Thorndale, Texas, same being the northwest quarter of Block No. 3, and being in the J. J. Liendo Survey in said Milam County, Texas, and known as the Johnson rent property and being the property of M. A. Johnson, the defendant in execution and levied upon as the property of said M. A. Johnson. And on Tuesday, the 5th day of October, 1920, at the Court House door of Milam County, in the city of Cameron, Texas, between the hours of ten A. M. and four P. M. I will sell said real estate at public vendue, for cash, to the highest bidder, as the property of said M. A. Johnson by virtue of said levy and said execution.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Cameron Herald, a newspaper published in Milam County.

Witness my hand, this 4th day of September 1920.

19-4t L. L. BLAYLOCK,
Sheriff Milam County, Texas.
By D. B. GUNN, Deputy.

BUCKHOLTS NEWS
By Audrey Criswell

Buckholts, Texas, Sept. 14.—Mrs. Allen Mowdy and children have returned from an extended visit to relatives at Abilene, Winters and other points.

Mr. Henry Pattillo was home during the week end to see home folks. He is taking treatment at the Temple Sanitarium and expects to be able to come home to stay in a short time.

Mr. Ed Kolba was in Rosebud last week.

Mrs. Stanley and three children left Sunday for Cameron where the children will attend school.

Miss Aubyn Hitt left Thursday for Baird to take up her duties as a teacher in the High School at that place.

Mr. Rufus Brown made a business trip to San Antonio last week.

Mr. Minnocks has given up his place as manager of the Batte gin at this place. His place was filled by Mr. Henry Horstmann.

Mrs. Alex Henderson has returned from a several weeks stay with relatives at Lorenzo.

Miss Minnie Nell Blaylock of Cameron was here a few days last week visiting in the home of Mr. and Mrs. W. E. Coley.

Mr. Ben Oliver is in Cameron where he will attend High School this year.

Mr. Willie Watson of Houston was here last week on business.

Friends will be interested to learn of the marriage last Sunday of Mr. Hubbard Slone and Miss Ailsie Bryant, both residing near this city. Mr. and Mrs. Slone will occupy the attractive new home that has just been completed for them on the farm about two miles north of town. Mrs. Slone has taught school in this and other counties and has made a splendid teacher. She graduated this summer from the Normal at Commerce. Mr. Slone is a prosperous and substantial farmer of this community. This couple have the hearty congratulations of their many friends.

Messrs. Rylander and Hilary Stedman of Cameron were here Monday on business.

Workmen have almost completed the pretty new home for Mr. and Mrs. E. H. Geisman. The home is being constructed on their farm about one mile south of town. As soon as the inside work is finished up they will move into the house and rent their home in town.

TOM MILTON PREMIER AMONG RACERS FOR U. S.

Tommy Milton took the lead for premier racing honors of the 1920 season by winning the 225-mile Uniontown race on Labor Day, when he catapulted his grey Duesenberg around the steep board oval in two hours, twenty minutes and twenty-four seconds.

Milton was wildly cheered by 50,000 speed-loving fans as he broke the record of 94.9 miles made by himself last June. The St. Paul boy averaged 96 miles an hour for the race.

Jimmy Murphy in his Goodyear-equipped Duesenberg, finished second, a lap and a half behind his teammate, after one of the most thrilling duels every staged on a track. The veteran, Eddie Hearne, drove his Revere into third place twenty-four seconds ahead of Eddie O'Donnell, who placed his Goodyear-equipped Duesenberg fourth. Gaston Chevrolet brought his Monroe in fifth, Eddie Miller secured sixth place in a Duesenberg, and Waldo Stein finished last in his Frontenac.

The race was the most thrilling of the year and kept the spectators breathless at many narrow escapes from disaster. Previous to the race L. Corum, Corum, who was to drive his Frontenac in his maiden race, skidded on the steep turn and slid to the infield fence, bending a spring so badly that he was unable to start. Ralph De Palma's jinx was busy and a broken piston prevented him from starting.

The most sensational incident happened on the the hundred and eighteenth lap when the cars of Chevrolet and Stein locked wheels on the steep curve when the former was about to pass his team-mate at 94 miles an hour. The two cars skidded, turned five complete circles each and slid to the infield fence. Spectators rose to their feet en masse, breathless until both cars came to rest. Then cheers of relief mingled with admiration at the wonderful exhibition of driving skill that had brought both racers to safety. When the cars arrived at the pits it was seen that almost every spoke in Stein's right rear wheel had been ripped loose.

The duel between Milton and Murphy was the most sensational seen this season. Beginning at the 105th mile, Murphy took the lead and kept it for nearly forty laps, both drivers driving at 97 miles an hour regardless of their lives. Then Murphy was forced to the pits long enough for Milton to gain the margin that gave him victory.

Milton now leads Gaston Chevrolet for the title of "Speedway King," but the championship for 1920 will be settled at Los Angeles on Thanksgiving Day.

BODY OF DALLAS MAN IS TAKEN FROM BRAZOS RIVER

Waco, Texas, Sept. 12.—The body of Hassell Brewes of 212 Center Street, Oak Cliff, Dallas, 24 years old, who was drowned in the Brazos River near Chalk Bluff, six miles north of Waco, last Monday near Cottonwood Creek, eight miles below Waco. Persons on one of the wagon bridges across the river here observed the corpse floating down-stream early today. A motor boat was secured, the crew of which took the body from the water. Identification was established by means of a bathing suit on the body, which the young man wore when he was drowned.

Brewes met his death in an attempt to save his cousin, Alfred Rose, aged 20, when the latter was caught in an undertow. Rose was rescued by his father, J. S. Rose. At the time he lost his life Brewe's wife and little daughter were on the bank among the witnesses to the tragedy. The dead man had been a resident of Dallas about three years and was a senior in the Baylor College in that city. The body will be sent to Hillsboro for burial. Besides his wife and daughter, Brewes is survived by his mother and one brother, who resided with him in Dallas.

LITTELL'S
LIQUID SULPHUR COMPOUND

It is a powerful and scientific combination of sulphur and other healing agents for the relief and cure of diseases of the skin. It is especially effective in the ITCHING VARIETIES; giving instant relief from the itching and smarting sensations and by its germ-destroying properties it exterminates the microbe which is the cause of the eruption, thus curing the disease completely.

Littell's Liquid Sulphur Compound is used in all cases of Eczema, Tetter, Barber's Itch, Psoriasis, Herpes, Rash, Oak and Ivy Poisoning, also for relieving the annoyance caused by chiggers and mosquito bites.

In the treatment of ECZEMA—the most painful and obstinate of all skin diseases—it is one of the most successful remedies known.

JAMES F. BALLARD, Prop. St. Louis, MO.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the Blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials.

BIRTHDAY PARTY

After a long waiting each little child's birthday comes around and this time little Mildred Clinton was the happy little girl Wednesday afternoon at five o'clock. Thirty little boys and girls came and as they presented their gifts of love they wished Mildred many happy good things for the coming years.

All kinds of delightful games were played on the lawn, then Mrs. Clinton had an interesting jelly bean contest. There were one hundred and thirty beans in the little jar and Hortense Klawansky carried off as a prize the little jar of beans, having guessed the number exactly.

As a substitute for the "Donkey's tail" a beautiful kewpie was prepared and as the children were blindfolded they had to try to pin its hat on. Herbert Freeman was the successful one and was given a box of colored crayons.

A table was prepared on the lawn with the birthday cake as the centerpiece. Pink and blue candles and ferns decorated the table and cake.

In the cut Ethel Collins got the ring, Cora Barmore, the thimble, Billie Sanders the dime, and Andrew Freeman the button.

It is needless to say that these children were thoroughly happy as they enjoyed this party and ate cake and cream.

BIRTHDAY DINNER

Mrs. Oxsheer Smith entertained most charmingly last Thursday evening with a dinner in honor of Mr. Smith's birthday. Around a perfectly appointed table the following guests enjoyed a delicious chicken dinner.

Messrs. Ben Atkinson, U. S. Hearrell, James Watson, H. F. Smith, Jr., William Rogers, Arthur Baskin, L. T. Lewis, Dr. VanZandt, F. Fahrendorf, Hubert Hefley and Monta Thomas.

BIRTHDAY DINNER

Last Friday afternoon little Miss Imogene Sapp celebrated her seventh birthday.

This time little Imogene wished to feel that it was "more blessed to give than receive" and asked her little friends not to bring presents.

Twenty-two little boys and girls came to enjoy several hours with her and she took charge herself and led the afternoon's pleasure.

A musical program on the player-piano came first in which each child played a piece; even four year old Pope Sapp.

Then came the pinning the tail on a huge giraffe. Margaret Key and four others pinned the tail right, so Margaret was given a box of animal crackers and she gathered the others about her and divided. Margaret Key recited several pieces for the pleasure of the other children.

The big white cake with seven candles was cut and served with cream, the ring falling to Dora Emily Moore and the thimble to Elsie Blaylock.

SIGMA PHI--KILLKARE

Mrs. Lloyd Mitchell was charming hostess last Saturday afternoon to these two interesting clubs, which have practically merged into one.

Nearly all the members were present, and although it was warm they enjoyed the usual needle work. Mrs. Jeff Avera rendered several delightful selections on the piano.

One feature of the decoration in the home was a vase of marigold. The vase was one brought from France to Mrs. Mitchell by her husband. It was made of a large cannon shell, made and carved by German prisoners. Engraved on one side was the Coat of Arms of France and on the other 1918-'19.

A delicious salad course was served consisting of chicken salad, pear salad, crackers, olives and ice tea.

Those present other than club members were: Mesdames Jeff Avera, Dan Tyson, Misses Eatna Smith, Susanna Jackson and Sallie Kate McLane.

BIRTHDAY PARTY

Master Pope Clayton Sapp was four years old last Saturday and not unlike those of twice his age, he wanted a party. Miss Louise Stribbling came over and assisted Mrs. Sapp entertain twenty-two tots of Clayton's age. They played games on the lawn and tried all of the presents which were many, from tops, balls, wagons to a real live Persian cat. And when the big white birthday cake with four pink candles was brought out their joy knew no bounds.

The ring fell to Francis Tucker, the thinmble to Alice Green, the dime to Ernest Sharp.

Cream was served with the cake and many little four year olds had a wonderfcl story to tell on their way to "Shut Eye Town."

Mrs. Wallace Paul and little son of Rockdale, came for the party and she, with Mrs. E. A. Sharp assisted Mrs. Sapp.

PRESBYTERIAN MISSIONARY SOCIETY

This Society met at the church Monday afternoon and had an interesting lesson led by Mrs. Graham Gillis, the Foreign Missionary Secretary.

Mrs. C. W. Lawrence read an interesting paper and Mrs. Henry MacFadyen read several Japanese poems which added much spice to the meeting.

METHODIST MISSIONARY SOCIETY

Owing to the removal of the seats from the Methodist church the ladies met at the Parsonage. There was a good attendance and the Study Circle was led in a very interesting lesson by Mrs. Tag.

BAPTIST MISSIONARY CIRCLES

The several circles of Missionary workers in this church met with Mesdames W. H. Henley, J. M. Ralston and Bailey. All these report good attendance and interesting programs.

MRS. ROY BASKIN ENTERTAINS

Tuesday afternoon Mrs. Roy Baskin invited the Sigma Phi and Killkare clubs in to meet her guest, Mrs. F. D. Guimarin of Sterling City, and Miss Rosine Ledbetter of Yoakum.

Pink and white roses in baskets and vases made the reception suite attractive. It was a "get acquainted" party, so pleasant conversation and music on the Edison were enjoyed.

Mesdames John Denson and Tom Denson assisted Mrs. Baskin in serving delicious ice cream and cake.

AT THE MANSE

Tuesday at high noon Mr. Powell of Add Hall and Mrs. Dockery of Keene, were united in the holy bonds of matrimony, with Rev. Henry MacFadyen officiating.

The happy couple left at once for their future home at Add Hall. The Herald and other friends wish for them much happiness.

HOLDER-- McANALLY

A marriage of interest to all of Cameron people was one that took place in the home of the bride's mother in Dallas.

Miss Iris Holder and Mr. Dwight McAnally were the contracting parties with the Senior Pastor of the First Presbyterian church, Rev. Wm. M. Anderson, D. D., officiating. The impressive ring ceremony was used.

This union was the outcome of a beautiful romance which dates back to the childhood of both in the Odd Fellows' Home in Corsicana.

The bride is a beautiful and accomplished young lady.

Dwight McAnally was born and reared in Cameron. Graduated from the Odd Fellows' Home and from the Metropolitan Business College at Dallas and has a splendid position in the Insurance business. His father was once editor of the Herald. Dwight made his home with his sister Mrs. Lee Batte, Sr., for quite a while and worked for Mr. Batte.

The young couple now reside at 3234 Cole Ave., Dallas.

The Herald and hosts of other friends wish for them all the good things of life.

HOUSEWORK IS BURDEN

Woman's lot is a weary one at best. But with backache and other distressing kidney ills life indeed becomes a burden. Doan's Kidney Pills have made life brighter for many Cameron women. Read what Mrs. Martha Moore, E. 2nd Street, Cameron, says: "For a great many years Doan's Kidney Pills have been my standard medicine for kidney complaint. I have taken Doan's when my back and sides have been so lame and sore that I couldn't do my housework. When my kidneys were irregular, I would get dizzy spells when stooping that just blinded me. That condition made me nervous. I felt out of sorts. When I had attacks of that kind, I took Doan's Kidney Pills and about one box of them strengthened my kidneys and restored by to good health. I very gladly recommend Doan's Kidney Pills to anyone."

Dr. George VanZandt spent Sunday in Granger visiting relatives.

LOCAL WOODMILL IS BOOSTING TIMBERS

R. H. REDFIELD AND SON SEND TRUCK TO CORYELL COUNTY WITH PRODUCTS FROM SHOP HERE

R. H. Redfield and Sons operating an electric saw and wood mill in Cameron will soon begin the erection of a modern new building to house the business on acreage property recently purchased in the eastern section of the city.

The new building will be 60 by 80 feet in size or more than four times the size of the present building. In addition to this firm will add more equipment and will make the mill the most efficient and best equipped industry of its kind in Central Texas.

The contract for this new building has been awarded but the construction is being delayed pending the final arrangement of papers covering the purchase of the acreage.

The growth and development of this business is a distinct boost for hardwood timbers in Milam county. Along the streams of the county large timber is found in marketable quantities. The Redfield mill cuts and hauls its own timbers, now operating trucks to the timber sections.

The Redfield mill makes a specialty of truck bodies. but is turning out a vast quantity of other vehicle products.

Putting Milam county in the eyes of the people as a timber producing county from which is being manufactured in vast quantities many of the necessities for constructing vehicle bodies and other useful wood products, R. H. Redfield & Son of Cameron made a trip with one of their large trucks this week to Copperas Cove on the Santa Fe in Coryell county to deliver three articles of timber from their mill here.

The truck before entering on its journey was covered on the sides with large streamers advertising the hardwoods of Milam county and the products being manufactcred by R. H. Redfield & Son here.

Mr. Redfield has developed a great industry in Cameron and is finding an expanding market for the wood products manufactured here. Orders for truck bodies and other vehicle products are being received from adjoining counties and expect to complete long planned extensions to his present mill within a short time so as to be able to better handle the large volume of work received.

IF KIDNEYS ACT BAD TAKE SALTS

Says Backache is Sign You Have Been Eating too Much Meat

When you wake up with backache and dull misery in the kidney regions it generally means you have been eating too much meat, says a well-known authority. Meat forms uric acid which overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and loggy. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels; removing all the bod's urinous waste, else you have backache, sick headache, dizzy spells; your stomach sours, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediments, channels often get sore, water scalds and you are obliged to seek relief two or three times during the night.

Either consult a good, reliable phycian at once or get your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithit, and has been used for generations to clean and stimulate sluggish kidneys, also to neutralize acids in the urine so it no longer irritates, trus ending bladder weakness.

Jad Salts is a life saver for regular meat eaters. It is inexpensive, cannot injure and makes a delightful, effervescent lithia-water drink.

There were 10,571 bales of cotton, counting round as half bales, ginned in Milam county, from the crop of 1920 prior to to September 1, 1920 as compared with 278 bales ginned to September 1, 1919.

Bright 43 per cent new meal at Oil Mill, $2.60 per sack.

New hulls $7 per ton at Oil Mill

CITATION

To the Sheriff or any Constable of Milam,—Greeting:

You are hereby commanded to summon Beatrice Davis by making publication of this citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your county, to appear at the next regular term of the District Court of Milam County, to be holden at the court house thereof in Cameron, on the 6th day of September 1920, the same being the 1st Monday in September 1920 then and there to answer a petition filed in said court on the 25th day of August 1920, in a suit, numbered on the docket of said court No 8249, wherein L. C. Davis is plaintiff and Beatrice Davis is defendant said petition alleging: The statutory grounds of three years' abandonment and praying for a divorce.

Herein fail not, but have before said court on the said first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Witness, Penn Wolf, Clerk of the District Court of Milam County, Texas.

Given under my hand and the seal of said court, in Cameron, this the 25th day of Aug A. D., 1920.

PENN WOLF,
Clerk of the District Court, Milam County, Texas. 18-4t.

Your visit to Howe's Great London Circus, Wednesday, Sept. 22 afternoon and evening in Cameron will not be complete without a tour of the colossal canvas equerry. Even though you are not a lover and admirer of blooded stock, it is claimed you will find an hour of genuine pleasure and much interest you inspecting the droves of horses and ponies. For the last year agents have been in different parts of the world making purchases for this department, with the result that today Howe's Great London Circus possess one of the largest most varied and costiest collection of representative members of the equine family, which wealth can procure, and it is doubtful if anywhere near the like ever has been exhibited before. Certainly never by any traveling shows. There are herds of powerful block Normans, sturdy western and Canadian drouths, coquetish Arabians English bred long distance, jumpers, fleet-footed Kentucky runners, wild speeding Roman chariot flyers, tiny Shetlands, Welch and native ponies and other high grade specimens of Earth's finest horseflesh, Ladies and children are particularly invited to visit this horse fair, which all may safely do without escort as uniformed and courteous attendants are always present to look after the welfare of callers.

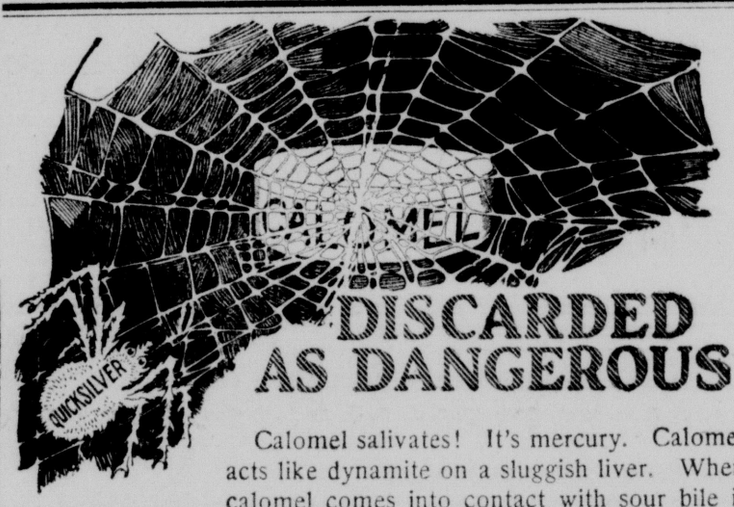

IF BACKACHY OR KIDNEYS BOTHER

Eat Less Meat, Also Take Glass of Salts Before Eating Breakfast.

Uric acids in meats excites the kidneys, they become overworked; get sluggish, ache and feel like lumps of lead. The urine becomes cloudy; the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush off the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from backache, sick headache, dizziness, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad.

Eat less meat, drink lots of water; also get from any pharmacist four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your your kidneys will then act fine. This famous salts is made from the acid of grape and lemon juice, combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine so it no longer is a saurce of irritation, thus ending bladder weakness.

Jad Salts is inexpensive, cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who believe in overcoming kidney troble while it is only trouble.

DISCARDED AS DANGEROUS

Calomel salivates! It's mercury. Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crashes into it, causing cramping and nausea.

Take "Dodson's Liver Tone" Instead!

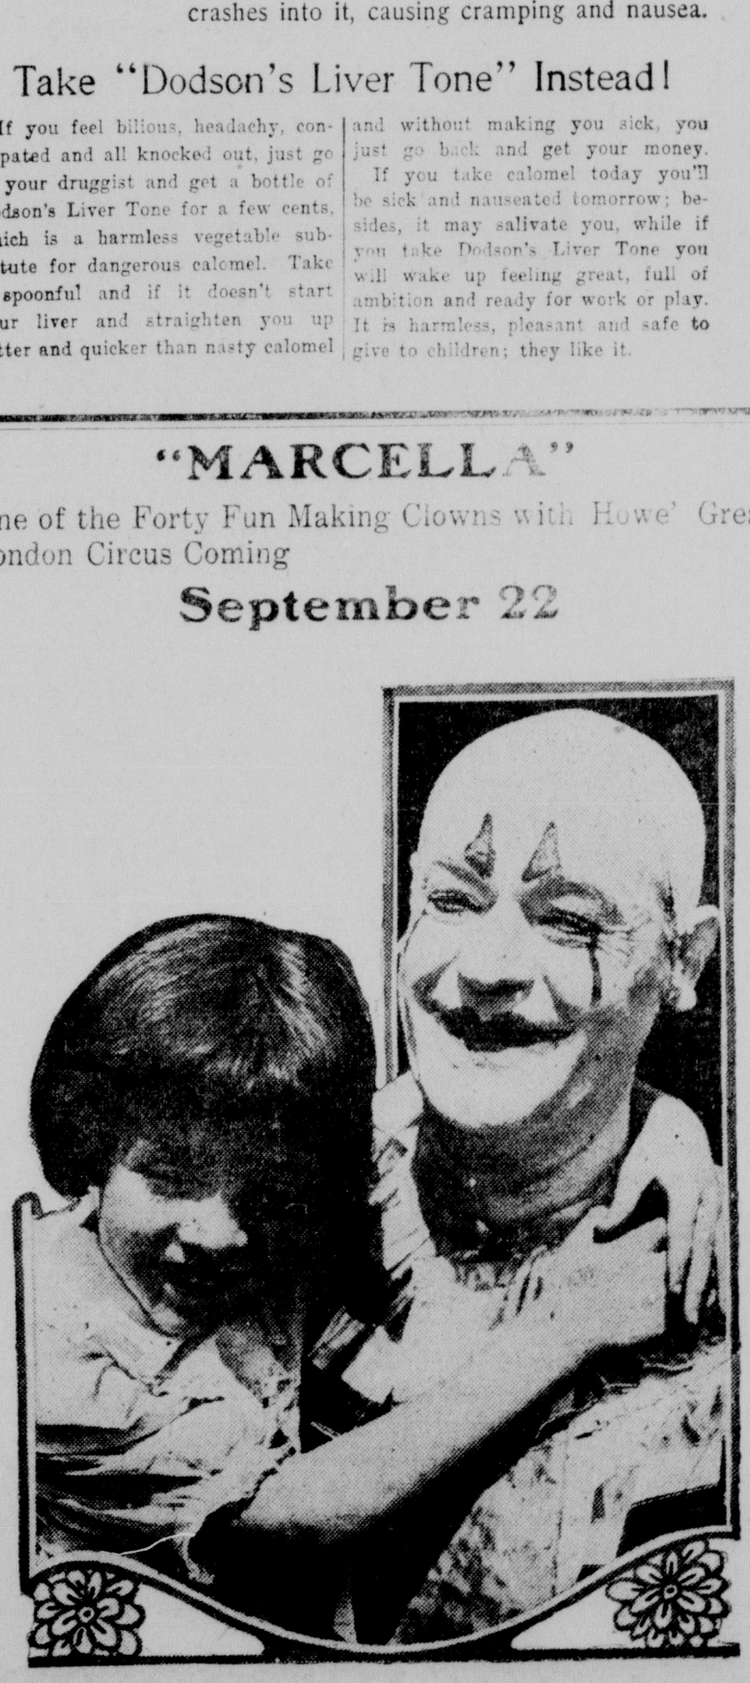

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tone for a few cents, which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.

If you take calomel today you'll be sick and nauseated tomorrow; besides, it may salivate you, while if you take Dodson's Liver Tone you will wake up feeling great, full of ambition and ready for work or play. It is harmless, pleasant and safe to give to children; they like it.

COTTON PALACE TO AID WOMEN SOLVE DOMESTIC PROBLEM

Labor-Saving Devices and Ways to Prepare Dishes Will Be Shown

Woman and her activities will reign parallel with the farmer and his interests, the music lover and his favorite classics, the social devotee and his functions at the Texas Cotton Palace, Waco, Oct. 30 to Nov. 14 this year.

Under the able direction of Mrs. Lee Davis, general chairman of the women's department, prominent women have been appointed to direct various departments of this important feature of the greater Texas Cotton Palace. Mrs. Davis predicts that never before will the women from adjacent towns and outlying rural sections find so many interesting exhibits and demonstrations.

"We want them all to come in and meet us and talk over their problems with us. We will have experts in domestic science who will be able to solve many problems for them," she says.

Canning Club Exhibits

Canning clubs will send exhibits and specimens in cooking. If your club has not entered an exhibit, you should urge it to do so, as it probably is proficient in some especial manner that will win warm praise for it at the Texas Cotton Palace.

Here's Vogue Feature

Still another new exhibition will be that displaying decorated tables, arrangement of tables of all description having become a vogue among artistic women. Tea tables, library tables, porch tables for decorative use, hall tables, bedside tables, invalid tables and others.

Specimens of cotton modeling this year will be replaced by another feature which will bring out the value of cotton and uphold the tradition of the Cotton Palace in regard to a display of Texas' principal product.

Woman and Her Use for Cotton

A woman's day in cotton is to be displayed, showing how a woman in the course of the day's work finds cotton products indispensable at every turn.

The Better Babies conference is another popular feature.

Another prominent affair is Children's Day, which will come early in the second week. Woman's Day is also being planned on a large scale.

Labor Saving Devices

An interesting display will be the display of labor saving devices, many of which have been placed on the market since the inauguration of the Cotton Palace.

A special showing of lamps and rugs is also being arranged. This will be in line with the arrangement of brasses and tapestries.

TOYLAND AT TEXAS COTTON PALACE WILL AMUSE ALL CHILDREN

So complete are arrangements to make this year's Texas Cotton Palace the most pleasing and successful that even entertainment for the children have been included in the plans. The big exposition opens in Waco, Oct. 30, and closes Nov. 14.

A complete new feature of the program this year, and one that is intended especially to please mothers who will bring small children with them will be "Toyland," an exhibition of toys arranged for the delight of youngsters. It is planned to display all the latest toys, especially mechanical and electrical and others. This department is, as it should be, under the direction of the women's committee.

What's The Cotton Palace?

The Texas Cotton Palace, Waco, Oct. 30 to Nov. 14, is the center of attraction to farmers and townspeople alike this fall. It will furnish instructive entertainment and profitable demonstrations that will help solve the problems of all—the farmer, housewife and business man.

SPECIAL SESSION CALL IS EXPECTED

OPINION ADVISES BOTH MEN AND WOMEN MAY VOTE WITHOUT A POLL TAX

Austin, Texas, Sept. 13.—The opinion of the Attorney General's Department, advising that as a result of the adoption of the nineteenth amendment to the Federal Constitution, all women in Texas who are otherwise qualified to vote may participate in that election without the payment of a poll tax, reached Governor Hobby, late today. The opinion further advised that male inhabitants are still liable for the payment of a poll tax, but failure to pay the same will not disqualify a man from voting who is otherwise a qualified voter.

Governor Hobby received the opinion after 5 o'clock. He had no comment to make, but it is expected that he will tomorrow issue his proclamation convening the Legislature in special session either September 20 or 21. It will be called for the purpose primarily of amending the election laws so as to prevent illegal voting in the November election.

The opinion was written by Assistant Attorney Generay E. F. Smith, assisted by First Assistant Attorney General W. A. Keeling and Assistant Attorney General W. W. Caves, and was in answer to questions propounded by Governor Hobby.

After quoting numerous authorities Judge Smith wrote that "from these decisions, there can be no question but that the adoption of the Nineteenth Amendment to the Federal Constitution has the effect of erasing or destroying the word "male" as used in that provision of our State Constitution already quoted, and which qualifies or describes the kind of a person with reference to sex, who is permitted to vote. From the dify and date that the Nineteenth Amendment was declared adopted it had the effect of changing Section 2 of Article 6 of our State Constitution, so that it should thereafter read, "Every person subject to none of the foregoing qualifications, etc"

No Poll Tax for Women

The Texas Constitution does not require, nor is there statute, which requires a woman to pay a poll tax as a prerequisite to exercise privilege of voting at a general election, and it follows all women, who are otherwise qualified, may vote in the general election to be held in November next without the payment of a poll tax.

Considering the question if men, who are otherwise qualified, can vote in the coming November election without the payment of a poll tax, the opinion says the Nineteenth Amendment says nothing about women as such and is equally silent with reference to exercising the privilege of suffrage on account of sex. Having determined that women can vote in the general election without the payment of a poll tax, the opinion holds that the Texas laws which provide in express terms that a male person who is subject to pay a poll can not vote unless he has paid the tax and holds a receipt showing that such tax was paid prior to the first day of February preceding such election, are discriminatory when the same requirement is not made of a woman and the basis of discrimination is one of sex.

Purpose of Amendment

"The purpose of the Nineteenth Amendment was to give the right of suffrage to women. The language in which the amendment is framed prevents discrimination against men as well as against women. No requirement can be made of men that is not made of women with reference to exercising the elective franchise."

"The Nineteenth Amendment has invested the citizens of the United States with a new constitutional right," continues the opinion. "That right is an exemption from discrimination in the exercise of the elective franchise on account of sex. * * * The Nineteenth Amendment gives the women the rights to vote. The protection of the exercise of this right is as necessary to the right of other citizens to vote as to the women and other citizens have an equal right with women to be protected against discrimination. * * * No requirement can be made of a woman that is required of a man and the reverse of this proposition must, of necessity, be true. There can not and must not be any discrimination on account of sex."

No Worms in a Healthy Child

All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS chill TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the Child will be in perfect health. Pleasant to take. 60c per bottle

COTTON PICKING WAGES ROB HOMES OF SERVANTS

Temple, Texas, Sept. 12.—High prices for cotton pickers often $2.25 a hundred has robbed the homes of Temple temporarily at least of cooks and laundresses. Many old faithfuls who have stood by in the face of temptation for years have succumbed to a lure of $9 and $12 a day, more than a week's remeuneration at the tub or in the kitchen. As a result scores of Temple housewives have obliged to resume acquaintance with the washboard and home cooking is in greater vogue than for many years.

SALVATION ARMY LAYS PLANS FOR AFTER WAR WORK

T. F. HARDY DELEGATE FROM MILAM TO CONVENTION HELD IN HOUSTON LAST WEEK

The first Annual Convention of the Salvation Army Advisory Boards of Southeast Texas assembled at 10:00 a. m. at the Rice Hotel in Houston with Attorney J. A. Elkins presiding. The invocation was pronounced by Rev. H. M. Timmons of the Nacogdoches County Advisory Board and those present were welcomed by Hon. A. E. Amerman, Mayor of Houston, in behalf of the city of Houston and the State Advisory Board. In response to Mayor Amerman's address of welcome, Judge A. A. Aldrich of Crockett, Texas, expressed in behalf of the County Advisory Boards their appreciation for Houstonian hospitality and assured the State Board of the willingness to co-operate in the Salvation Army Home Service Program for 1920.

Lieut. Col. George Wood, officer in charge of the Salvation Armp Activities in the Southwest Chief Division delivered an address on the Salvation Army's work among men, describing the relief given through the various institutions including the Industrial Homes, Employment and Missing Friends Bureaus.

Mrs. Adjutant Louis Bennett discussed the work among women and children as rendered through their slum posts, Boys' and Girls' Industrial farms, Young Women's Boarding Homes and similar institutions. This was followed by an interesting address by Ensign Ivy Oldenberg of the work done at the San Antonio Rescue and Fraternity Institution and asserted that this work had been materially decreased in the larger cities due to prohibition. This received prolonged applause from the delegates.

Ensign 'Ma" Burdock of Oversea fame, the only Salvationist awarded the Croix de Guerre was present and gave a very interesting talk on the service rendered by the Army in preserving family unity. Dr. R. W. Adams, Presiding Elder of the Methodist church. paid a glowing tribute to the work of the Army in his very interesting and inspirational address which was followed by the review of confidential studies by Mr. J. A. Elkins, which indicated the urgent need for relief such as the Salvation Army is capable of giving.

The delegates adjourned to the dining room where luncheon was served. Dr. R. W. Adams introduced the luncheon speakers. among whom were W. F. VanBeren, a former officer of the British Royal Flying Corps, and Rev. H. M. Timmons, Pastor of the Presbyterian church at Navasota.

The afternoon session began at 2:00 p.m. and was opened by an address by J. Dixie Smith, Secretary of the Advisory Board who spoke at length on the absolute necessity of the service rendered by the Army and explained wherein service could be rendered by the County Advisory Boards citing many striking instances of the Salvation Army service through county boards of this district.

The State Budgets which had been accepted by the State Board in view of the urgent need for an extension of the institutions and the erection of additional ones in Texas was announced by Mr. J. A. Elkins. A motion was made by Judge A. A. Aldrich and carried that the convention as a whole approve of this action on the part of the State Board; this was followed by the announcement of the quotas as allotted to the various counties all of which were accepted by the delegates of these counties.

Dean J. L. Pritchett of the Walker County Advisory Board gave an inspirational address in which he clearly outlined the unique field in which the Salvation Army functioned and that it did not duplicate the work of other charitable and relief organizations, this was followed by a discussion of the plan of organization for the purpose of raising the necessary funds by F. C. Riegner, Associate Program Director for the Southwest Chief Division. The campaign for funds will be launched between October 4th and 11th.

Lieut. Col. Wood again took the floor and outlined the plans of the Army for a Boys' and Girls' Industrial Home near Hillsboro, Texas, to be located on a large farm recently given to the Army by a citizen of Hill county, who also gave Liberty Bonds to the amount of $35,000. Drawings and plans of the contemplated building was shown to the delegates.

The convention aljourned at 5:00 p. m. leaving with all delegates of the various Boards that they were a part of the most wonderful humanitarian organization on earth.

Delegates from Milam County to this convention was T. F. Hardy.

NEEDN'T PAY TEXAS POLL TAX TO VOTE

POLLS WILL BE WIDE OPEN TO BOTH MEN AND WOMEN ON NOVEMBER 12

Austin, Tex., Sept. 13.—All men and women in Texas who are otherwise qualified to vote, may participate in the general election to be held Nov. 2 without payment of poll tax, according to an opinion from the Texas attorney general made public late today by the governor, who declined to comment upon it.

Male inhabitants are still liable for the payment of a poll tax, the opinion said, but failure to pay the same will not disqualify a man from voting who is otherwise a qualified voter. The opinion said that the suffrage amendment is recognized by the federal government as part of the Constitution of the United States and that all states are prohibited from exercising discrimination against citizens who desire to vote and who are otherwise qualified to vote by reason of or on account of sex.

HOPELESS DISEASES CAN NOT BE CURED BY DOCTORS OR MEDICINE

There are some diseases which are absolutely hopeless and past cure by any physician or medicine, but they may be palliated and a medicine, if it does not help in one case, may help in another. To any one suffering from a disease a remission is a degree of health and a medicine that relieves or palliates a disease is of great benefit. We can not guarantee to cure any disease with Number 40 For The Blood, but we quote word for word what the ingredients in 40 are recommended for in the U. S. Dispensatory and New American Materia Medica: "In the treatment of blood troubles an acknowledged remedy among all schools of physicians, removes the cause of disease, stimulates the removal of waste, thus indirectly encouraging nutrition. Disorders of the nervous system demand this remedy, such as neuralgias, chronic rheumatism, gouty conditions, auto-intoxication, constipation. Used with phenomenal success in eczema and skin diseases, lumbago, glandular swellings, ulcerations of mucous membranes and in general disorders of the stomach, liver, kidneys and spleen." Prepared by J. C. Mendenhall, Evansville, Ind., 40 years a druggist. W. S. King, 802 E. 4th St., Pueblo, Col., makes the following statement: "I suffered for a number of years with kidney trouble, sciatic rheumatism and constipation, tried numerous remedies with little or no benefit. I was induced to try Number 40 For The Blood. I found I was benefited from the start, and after taking six bottles received such wonderful and satisfactory results, I am prompted to make this statement." Witness to signature, Edward Reiss, druggist.

Wherever the Howe' Great London Circus has exhibited press and public have been a unit in praising the work of the exceedingly large number of young and handsome women performers: Bevies of the fair sex are represented among the riders, aerilists, contortionists, jugglers, highwire artists, gymnasts, bicyclists, clowns, animal trainers, chariot drivers and in fact even among the ringmasters. As may naturally be expected keen rivalry exists between the lady and gentlemen artists, a fact which greatly enhances their performances. The lengthy imperial program presented this year by these shows contains only the best most modern features that money and labor can procure and in such quantity and variety as to satiate every arenic taste and fancy. Lack of space vents an enumeration of all the different acts, many of which must be seen to be appreciated. There is an extended list, the last of which does not by any means end the pleasures which the Howe's Great London Shows provide patrons, afternoon and evening, Wednesday, Sept. 22 in Cameron.

There are sports of the ancient Rome and modern fete day races and contests. Then the big triple menagerie, forms a zoological display without a peer in all the world. Next is Howe's Great London Circus marvelous museum, in which are exhibited a myriad of human and animal freaks and other attraction. Thus it will be seen that is a royal haoliday feast in store for all who attend this mighty amusement exposition.

World Series to be Shown In Cameron Theater

The World Series for 1920 will be played in Cameron.

Contract was received this morning from New York for the signature of a body of local fans to insure shipment and installation of the famous electric score board in the new theatre of the Texas Photo Play Association. The contract has been signed and shipment instructed by the local executive committee in charge of the details.

The world series—the most widely cherished sport event of the world will be brought to Cameron and citizens for the first time will sit in a local theater and witness the games play by play as flashed over the wire from the press boxes of the parks in the East.

The installation of the board here means an advantage to local people which hertofore has been enjoyed by patrons in the largest cities of Texas. It is a distinct progressive step for Cameron and the men who have underwritten the contract for $500 deserve much credit for this pioneer move to get something big and really worth while for Cameron.

Details for handling the world series were discussed at a meeting held Monday in the office of Penn Wolf. district clerk. B. P. Atkinson was elected chairman of the executive and advertising committee. Ed L. Tucker was elected secretary and treasurer. Both are among the five guarantors of the funds necessary for the series. A wire was sent from the meeting by B. B. Pope to close up finally on the contract for the series. Mr. Pope received the contract in duplicate this morning

Season tickets for $5 will be on sale in Cameron in a day or two. Admission will be $1 for each game to those who do not buy season tickets. A charge of 50 cents will be made for children under a specified age. Tickets will also be placed on sale throughout the county. The Texas Photo Play Association has given free use of its new theater here which is expected to be in operation by October 1.

The electric board used to portray the game will show each play and the individual diamond star who plays that position. The every movement and play of the men are shown and the game will be as realistic as the genius of the inventor has perfected this the most celebrated electrical equipment in the world.

The board will be shipped from New York by express. An exclusive leased wire service has been secured so that as soon as the game is started it will be seen in Cameron. First will come the flash of the battery—then the big thrill as the "ump" through his wicker calls the big game. A deft touch of the key and the wire runs hot with the biggest news event of the day. Some favorite cloutsman is up—there is a breathless moment—then the flash! Will it be over the bleachers?

You can all but hear the crash and roar of the fans as they chant their battle cry for the favorite clubs. Before the call of the newsboys is heard on the streets of the cities Cameron will know the results of the game.

Get your ticket today and see the master sport event of the world. It is something big for Cameron.

CONSTRUCTION IS AUTHORIZED FOR NEW PHOTO HOUSE

SAM HEFLEY, WONDERLAND OWNER, TO ERECT MODERN NEW PLAY HOUSE HERE

Construction work has been authorized by Sam Hefley. owner of the Wonderland Theater in Cameron, for the erection of a modern new photo play house in Cameron.

The announcement of this new project was carried in the Herald more than a month ago at which time Mr. Hefley made his decision to fit out the new play house. The new show will occupy the building now housing the Avera & Read drug store and the Cammer tailor shop.

Mr. Hefley expects to begin operation on the new play house in a short time. It will be modern in every resepect. The interior will be arranged so as to accommodate both a lower and upper floor. New seats will be installed and the entrance changed to make a modern lobby and booth.

Mr. Hefley will continue to operate the Wonderland, thus giving Cameron three picture shows. The new theater will be equipped with the most modern picture machines available with new screen and electric fans and a modern lighting system. Music will also be installed to equal the equipment of the show.

MEXICAN IS SHOT IN PISTOL DUEL WITH OFFICERS

OPENS FIRE ON SHERIFF BLAYLOCK AND CONSTABLE SENS WHILE TRYING TO ESCAPE ARREST

Phillip Lopez, Mexican, is in the county jail here with three bullet wounds as a result of a gun fight Saturday which developed with Sheriff L. L. Blaylock and Constable Charles Sens when the Mexican resisted arrest and ran from the officers, opening fire as he made an attempt to escape across a vacant lot in the western part of the city.

Lopez is being held on a criminal charge for an act committed near Maysfield late last week. Local officers were notified and search was begun. Constable Chas. Sens made a search in the Mexican district but at first without result. He then returned to Sheriff Blaylock and both began the search.

The Mexican was discovered in a barber shop and when the officers closed on him was preparing to shave himself and holding a razor in his right hand. He escaped through the rear entrance of the shop into a vacant lot and after a few steps out drew his pistol and began firing at Constable Sens and Sheriff Blaylock. The sheriff returned the fire. The Mexican continued to fire until hit by the officers and finding himself in such close range of their guns dropped his pistol and surrendered.

The Mexican was shot in the right leg right arm and left hand. The woend in the left hand is the most serious, the other wounds being only flesh wounds. The Mexican carried a 38 calibre Colt's revolver on a 45 frame. After his arrest 37 cartridges were taken with his gun.

WORK ON MONDRIK BUILDING IS PROGRESSING RAPIDLY

Work on the store building being erected by Mondrik brothers near the dry goods firm of J. P. Werner & Company is progressing rapidly and will be ready for occupancy in a short time. This building is being erected from material from the old Germania hall purchased by Mondrik brothers and will be occupied by A. J. Matocha & Company.

The A. J. Matocha business was destroyed by fire early in May. Since that time the business has been operated in a small building near the site.

BANKERS ORGANIZE ASSOCIATION IN MILAM COUNTY

A. N. GREEN HEADS ORGANIZATION WITH L. T. LEWIS SECTARY.—THIRTEEN MEMBERS

A Milam County Bankers' Association has been organized in Cameron with A. N. Green, President of the First National Bank as President and L. T. Lewis. Cashier of the Citizens National Bank of ameron as Secretary

The meeting at which the organization was perfected was held in Cameron and representation was had from the thirteen banks of Milam county. Considerable time was devoted to the discussion of the cotton situation and a provision of the membership in the Milam County Bankers' Association is that each bank has a membership in the American Cotton Association.

Recently Cameron bankers attended the meeting of the cotton conference in Dallas at which time these were discussed and the organization in this county is the outgrowth of the matter.

The association will be active in aiding the farmer in marketing cotton in this county. The association will carry out the recommendations of the Dallas conference to adhere to a gradual marketing of cotton thus stimulating the market so better prices can be obtained. The association raised $1300 or $100 from each of the thirteen banks as part of the organization plan.

In addition to the benefits to be derived from the membership in the American Cotton Association because of its assistance in aiding local farmers the bankers of Milam county will use their organization to become more closely associated and to better work out their problems.

PLOW MAN HERE TO AID IN TRACTOR DEMONSTRATIONS

CHAMBERS-HEFLEY MOTOR CO. BEGINS DRIVE TO MOTORIZE MILAM COUNTY FARMS

A series of farm plow demonstrations were held this week on farms near Ben Arnold under the direction of the Chambers-Hefley Motor Company.

J. C. Hostetler, representing the Oliver-Chill Plow Company has been here for several days and had charge of the demonstrations of the plows, a special farm inmplement made for tractors. The demonstrations were held by the means of a Fordson tractor for which the Chambers-Hefley Motor Company is dealer in this territory.

A great deal of interest is being taken in the demonstration work in this section and the local company plans to keep up the showings and will begin in a few days to hold tractor demonstrations.

The company has assigned two men to handle the campaign in a short time.

COTTON SELLING IS BIG PROBLEM IN SAYS U. S. CLASSER

GOVERNMENT OFFERS SOLUTION IF FARMERS WILL ADHEAR TO ORGANIZATION

Cotton marketing is the biggest problem that confronts the Southern farmer today. As long as the chief problem with which we will have to deal with. Cotton today is the only community raised article which is sold in a haphazard manner.

There has been many remedies suggested and tried but all in a measure have accomplished little betterment from the producers' standpoint. The average cotton farmer who toils throughout the year making his crop and when ready for the market takes it there without knowing anything about the value of the bale he has spent time and money to produce. Should such a condition exist? Of course it should not.

With the marketing facilities which the U. S. Department of Agriculture, A. & M. College of Texas co-operating have established all over Texas in the form of cotton classing stations which are filled by competent cotton classers whose duties are to inform the farmer as to his grade and staple and the benefit of his knowledge as to the value thereof and assistance in selling same. Co-operation ist the best asset anybody of men in any community can give in disposing of their products. Co-operation among farmers in selling cotton is the logical remedy to remove most of the obsticles that stand in the way of the porducers getting what he is entitled to for his crop. So it is for the farmers of Milam County to co-operate with one another and all co-operate with the cotton classer and obtain results that will surprise them.

By bunching small lots into large ones then have it classed by a Government classer the best prices will be obtainable. The Cameron office has classed cotton so far this season from Holland, Bartlett, Hearne and Rockdale. The farmers who have taken advantage of the Classing Station are loud in their praise of the results they have received. They declare it has been the means of saving many dollars to the farmers of the county. So take your cotton to the classing station and reap the benefits which the service is sure to give you. The local receipts for Cameron for the week ending September 14 was 1800 bales. The classing station has classed approximately 110 bales. Mr. Depew, the classer, extends a welcome and desires to meet all the farmers in the county and his office, which is conveniently located on the court house square.

WEEMS HOME IS BURNED MONDAY

Fire completely destroyed the home of Melvin Weems Monday morning about ten o'clock. The Weems home was located in the eastern part of the city and out of range of the fire plugs and it was impossible for the firemen to do effective work.

It was estimated by Fire Chief Thomas that the total loss will be from $5000 to $7000. Nothing was saved from the home. The fire was started from kerosene oil ignited when Mrs. Weems after having mopped the floor where the children had overturned a can of oil, touched the match to burn away the remaining stain. The home was soon enveloped in flames despite the heroic effort of Mrs. Weems to extinguish the fire.

The fire department made an effort to assist but being unable to connect with the water mains was rendered helpless. The house was quickly burned but efforts by citizens and firemen saved the adjoining residences.

SAFEGUARD BALLOT; EQUALIZE SUFFRAGE

Austin, Sept. 15.—The Texas Legislature was called to convene in special session at 11 o'clock. Sept. 21, by Governor Hobby today.

The Governor stated that he had called the Legislature to "give consideration to the subject of safeguarding the general election of November, 1920; to prescribe qualifications for voters; to prevent discrimination among voters in the exercise of the franchise at said election.

"Two—To consider and act upon such other matters as may hereafter be presented, pursuant to Section 10, Article 3, of the Constitution of the State of Texas."

Hobby's Recommendation

The Governor said in a statement accompanying the proclamation:

"I shall urge the Legislature to pass a law giving all those who have not paid poll taxes, fifteen days in which to pay a fee or tax equal to the poll tax, which those voters who have previously qualified have paid, in order to qualify for voting in the November election. I shall further urge that all the funds derived by the State from the collection of such fee shall go to the available school fund. Under this plan, all voters will vote in the November election on an equal basis."

To Equalize Situation

Another portion of the Governo's statement said:

"I accept the Attorney General's interpretation of the Nineteenth Amendment as applied to the next general election of Texas. I therefore convene the Legislature because in my judgment it creates an emergency which can be dealt with only by immediate action on the part of the State's legislative authority. . . . Without legislative action the opportunity is afforded for fraudulent voting, though to what extent can only be a guess. Whether there is danger of repeaters and the casting of fraudulent votes at such an election to change the result does not alter the situation. The advisability of such a thing should be avoided by statute."

"But there is a higher consideration than these which makes action necessary. There are about 750,000 persons in Texas, men and women, who qualified themselves to vote in the November election by paying poll taxes or obtaining exemption certificates. There are at least 2,500,000 men and women of voting age in Texas. Under the construction given the Nineteenth Amendment by the Attorney General, all of these will be permitted to vote regardless of whether they have or have not paid a poll tax. This should be avoided, because it is unfair. Even though this situation is due to circumstances beyond the control of Texas. it would be discrimination just the same to hold an election at which 750,000 persons have been required to pay a poll tax of $1.75 in order to exercise the suffrage franchise, while it is possible for 1,750,000 to vote without the payment of an equal amount."

COTTON PRICE IS FIXED AT 48 CENTS

FARMERS CLAIM COST OF PRODUCTION IS 46 CENTS A POUND

Austin, Texas, Sept. 9.—The State Farmers' Institute today adopted the committee's report recommending that forty-eight cents be the minimum price at which this year's Texas cotton crop should be sold. It found that the average cost of production was forty-six cents per pound and added two cents for profit. The statement given out says:

"The recommendation was based upon the average cost figures reported by the farmers and the United States Government estimate of 176 pounds as the average per acre yield for the South of the 1920 cotton crop. And in view of the recent reports of insect damage to the crop in the north half of Texas, the indications are that the Government estimate will have to be revised downward."

There were a number of speeches today on farmers' work and crop matters together with problems of the farms and farmers.

First Assistant and Acting Attorney General Walter A. Keeling, who handles anti-trust matters in the department, addressed the institute today. He devoted some time to the present price of cotton seed, saying the Attorney General's Department have a thorough investigation under way and that where violations of the anti-trust law are detected prosecutions will follow. He said there was no good reason why seed sold for $70 per ten last year and $23 this year, and that the department is going to bend every effort to ascertain the cost and take adequate action.

Judge Keeling urged the members present to return to their homes and start a campaign to have their legislators support legislation which will entirely separate the ownership of cotton mills and cotton gins. He said that was one of the evils of the situation and as a factor in bearing down the price of cotton seed.

George B. Terrell, nominee for State Commissioner of Agriculture, will recommend that the next Legislature provide for the creation of a permanent committee to fix the price of cotton which he says is imperative to protect the farmers of the State. It should be composed of business men, bankers, farmers and representatives from the A. & M. College and State Department of Agriculture, says Mr. Terrell. This committee, he explained, would compile data showing the average cost of raising the cotton crop of each year and fix a fair price for the sale of the staple.

Mr. Terrell said that he will endeavor to work in conjunction with the Extension Department of the A. & M. College to the end that there will be no duplication of effort.

TO SELECT MEETING PLACE FOR THE TEXAS EDITORS

Rockdale, Tex., Sept. 11.—Editor John E. Cooke of the Rockdale Reporter, as president of the Texas Press association, has issued a call for a meeting of the executive committee of that body to be held at the Adolphus hotel in Dallas at 3:30 p. m., Sunday Oct. 17. The purpose of the meeting is primarily to select the place for holding the forty-second annual convention of the Texas Press association next summer, setting the dates for said convention and for the transaction of such other business as may properly come before the meeting.

At the forty-first annual meeting, held in Houston last June, on account of lack of time, the convention adjourned without selecting the next meeting place and passed that duty on to the executive committee. In the meantime a sharp rivalry has developed among a number of Texas cities for the honor of entertaining the editors next year. Among the contestants are Galveston, Waco, McAllen, Wichita Falls and Big Springs, with possibly others yet to be heard from. Representatives from all points asking for the next convention have been notified of the meeting of the committee and are expected to be present to urge their claims.

DEATH CLAIMS A NOBLE MILANO YOUTH OF 15 YEARS

Daniel L. Newman, son of Mr. and Mrs. L. Newman, died Sunday morning at 5 o'clock after a critical illness of about two weeks. His death was a shock of all Milano and it was another sad day of passing events. Dan, as we all knew him, was 15 years and 9 months of age, just entering upon life's threshold with a good footing. He was one of our growing young boys who had learned the right from wrong and he was always awarded the praise of all who knew him that he was an example for a good boy. Thus his departure from earthly life is not only very sad to the family, but to all who knew him. It seems deplorable for such a young life to depart from our midst, but to Dan we are assured it is most glorious, for such is the promise given the rigteous. Burial took place Sunday afternoon at 5:30 o'clock at the Milano cemetery amid the presence of a multitude of people, all of whom had known Dan and were his friends. Rev. J. W. Roeber, pastor of the Nazarene Church conducted the obsequies and delivered a beautiful tribute of the young man's life. The community sympathizes with the family, for we all realize that Dan's absence will be sadly missed here in Milano and his absence is hard to realize.—Milano Gazette.

UNDER THE IVORY DOME

The old fashioned boy who fiddled on a stick of cord wood with a buck saw in the late afternoon and went to bed at eight. Where is he now?

One anti-suffrage editor has called suffrage the "Useless fifth wheel in politics." The fifth wheel is sometimes the steering wheel.—Nashville Tennesseean.

HOME CALISTHENICS

The cheapest and simplest gymnasium in the world, and one that will exercise every bone and muscle in the body and discover for you many new ones, is a flat piece of steel notched on one side, fitting tightly in a wood-frame and, after being greased on both sides, rubbed into a stick of wood laid lengthwise of a sawbuck.

Probably the only way Southern farmers will ever agree to take summer boarders is to turn them loose in a pasture.

What has become of the old-fashioned man who thought a gown was something to sleep in?

HELPS

Believing good in man,
Will make him try,
And wider yet his plan,
Than you and I.
A mortal needs kind word,
Both clay and heart,
To freshen brain, when blurred,
To human art.
Approving act at once,
Some outcast spoke,
Has wakened up a dunce,
And snapped his yoke.
A something's guage,
A man is man that thinks,
May be has finger inks
Than on your page.
The human comprehends
A human sin,
And tolerance has friends
With human kin.

THE HOUSE OF PAIN

I am no stranger in the house of pain;
I am familiar with its every part,
From the low stile, even up the crooked lane
To the darkened doorway, intimate to my heart.
Here did I sit with Grief and eat his bread.
Here was I welcomed as mifortune's guest,
And there's no room but where I've laid my head
On Misery's accommodating breast.
So, Sorrow, does my knocking rouse you up?
Open the door, old mother; it is I.
Bring Grief's good goblet out, the sad, sweet cup;
Fill it with wine of silence, strong and dry,
For I've a story to amuse your ears,
Of youth and hope, of middle age and tears.

To Be or Not to Be.

I'd rather be a Could Be
If I could not be an Are,
For a Could Be is a Maybe
With a chance of touching par.
I'd rather be a Has Been
Than a Might Have Been by far;
For a Might Have Been has never been,
But a Has was once an Are.

A. NUTT

From the MAIL BOX

Editor Cameron Herald,
Dear Sir:

I am enclosing with this communication to your valuable paper editorial comment "The Last of the Democrats," by the Austin Statesman on the fight made by Mr. Bailey for the Democratic nomination for Governor which I desire shall be given space:

Your very truly,
W. T. HEFLEY.

As Brutus lives in history as the last of the Romans and Rienzi as the Last Tribune of the People, so will Joseph Weldon Bailey be remembered as the Last of the Democrats. In suffering the one defeat of his career he gains a higher distinction than all his victories had won him.

"Senator Bailey," says the International Encyclopedia—surely an impartial authority—"gained a reputation as one of the most conspicuous and picturesque figures in the Senate and as one of the most eloquently persuasive orators ever a member of that body. * * * A deep student of constitutional law, he was particularly opposed to 'free' interpretations of the Constitution."

Other impartial works ranks him with the ablest men who have sat in the American Congress, and one of his colleagues has called him the greatest Democrat since John C. Calhoun.

But, to whatever fame he was entitled by reason of his eloquence, his profundity, his rapid advancement to political leadership, Senator Bailey, until he entered the contest lately closely, shared his honors with others. He was but "one of" the great Senators; "one of" the great orators; "one of" the great lawyers. His new dignity is his alone, without co-rival or fellow.

It was argued against Bailey that he was out of line with other Democratic leaders; that he was "old-fashioned;" that he did not approve the policies followed by his party for a considerable term of years. In making these arguments, his adversaries spoke truly. Bailey, among Democratic leaders, was as lone as Ahithophel among the counsellors of Absalom, as Cato among the Romans, as Demosthenes among the Athenians. He was the single counsellor whose wise counsel was rejected, the single pleader for preservation of the sound old doctrines whose plea was not heeded, the single orator who strove in vain to arouse his countrymen to approaching disasters. Those famous examples of ancient oratory the Philippies of Demosthenes and Cicero's denunciation of Catiline will live so long as men read books. Yet neither served its purpose. Demosthenes failed to save Athens and Cicero stayed but a moment the fall of the Roman Republic. The great orators strugigled as Bailey did against tides which could not be stemmed. They, too, were "old-fashioned," and they, too, were right. The really sad thought evoked by Bailey's defeat is that, perhaps, the people no longer care for the principles which so long have kept them free and prosperous; that they have said farewell to the doctrines of the fathers, and the old Democracy is, truly, dead.

It may be argued—and it is argued even by some of Bailey's friends—that Senator Bailey made a mistake in attacking the policies of the National administration, in opposing Federal suffrage, in opposing Federal prohibition and in talking against "political preachers. But it was inevitable he should do so. Otherwise he would not have been the Last Democrat. He could have been silent on these matters, but by remaining silent he would have consented to the abandonment of those principles he sought to save. His only purpose in seeking office was to save them.

There are those, too, who think that Bailey should not have attempted to stem the tide of progressivism. We regret his defeat, but not his effort. As Demosthenes said after the disaster at Chacronea, it is better to have fought and lost than never to have undertaken a struggle in defense of our iberties. "It was ours to do our duty; the issue rested with the gods."

MOTHER SAYS BEST MEDICINE ON EARTH FOR CHILLS AND FEVER AND TEETHING CHILDREN

COTTON PALACE TO AID WOMEN SOLVE DOMESTIC PROBLEM

Labor-Saving Devices and Ways to Prepare Dishes Will Be Shown

Woman and her activities will reign parallel with the farmer and his interests, the music lover and his favorite classics, the social devotee and his functions at the Texas Cotton Palace, Waco, Oct. 30 to Nov. 14 this year.

Under the able direction of Mrs. Lee Davis, general chairman of the women's department, prominent women have been appointed to direct various departments of this important feature of the greater Texas Cotton Palace. Mrs. Davis predicts that never before will the women from adjacent towns and outlying rural sections find so many interesting exhibits and demonstrations.

"We want them all to come in and meet us and talk over their problems with us. We will have experts in domestic science who will be able to solve many problems for them," she says.

Canning Club Exhibits

Canning clubs will send exhibits and specimens in cooking. If your club has not entered an exhibit, you should urge it to do so, as it probably is proficient in some especial manner that will win warm praise for it at the Texas Cotton Palace.

Here's Vogue Feature

Still another new exhibition will be that displaying decorated tables, arrangement of tables of all description having become a vogue among artistic women. Tea tables, library tables, porch tables for decorative use, hall tables, bedside tables, invalid tables and others.

Specimens of cotton modeling this year will be replaced by another feature which will bring out the value of cotton and uphold the tradition of the Cotton Palace in regard to a display of Texas' principal product.

Woman and Her Use for Cotton

A woman's day in cotton is to be displayed, showing how a woman in the course of the day's work finds cotton products indispensable at every turn.

The Better Babies conference is another popular feature.

Another prominent affair is Children's Day, which will come early in the second week. Woman's Day is also being planned on a large scale.

Labor Saving Devices

An interesting display will be the display of labor saving devices, many of which have been placed on the market since the inauguration of the Cotton Palace.

A special showing of lamps and rugs is also being arranged. This will be in line with the arrangement of brasses and tapestries.

TOYLAND AT TEXAS COTTON PALACE WILL AMUSE ALL CHILDREN

So complete are arrangements to make this year's Texas Cotton Palace the most pleasing and successful that even entertainment for the children have been included in the plans. The big exposition opens in Waco, Oct. 30, and closes Nov. 14.

A complete new feature of the program this year, and one that is intended especially to please mothers who will bring small children with them will be "Toyland," an exhibition of toys arranged for the delight of youngsters. It is planned to display all the latest toys, especially mechanical and electrical and others. This department is, as it should be, under the direction of the women's committee.

What's The Cotton Palace?

The Texas Cotton Palace, Waco, Oct. 30 to Nov. 14, is the center of attraction to farmers and townspeople alike this fall. It will furnish instructive entertainment and profitable demonstrations that will help solve the problems of all—the farmer, housewife and business man.

REV. A. J. VALLERY MAKES STATEMENT

Says Tanlac Has Overcome His Troubles and He Feels Like a New Man

"I feel that it would be helping others to tell what Tanlac has done for me," said Rev. A. J. Vallery, living at 834 Chelsa Ave., Memphis, Tenn.

"About three years ago," he continued, "I had a general breakdown that made me very nervous. I had a sour stomach and would spit up undigested food. The pains in my stomach hurt so at times that I thought they would kill me. I also suffered with rheumatic pains in my joints and my kidneys were in so bad shape, my sleep was poor and I felt so tired all the time that I could not do my work.

"Since taking Tanlac I have been relieved of indigestion and those pains are all gone. My kidneys don't trouble me any, I am not nervous like I was and I can sleep fine every night. My strength and energy have been restored and I feel like a new man."

"Tanlac is sold in Cameron by New Cameron Drug Co., in Rockdale by Baldridge Bros., in Milano by E. C. Smith and in Burlington by the New Drug Store."

OAKDALE NEWS

By Mrs. S. Hause

There were several of our county teachers went to Belton last Monday to attend the Institute, and Saturday morning Mr. Homer Gunn of Ben Arnold motored up there in his Overland, and he and Miss Jane Nicholson went to the parsonage and were quietly married. They will go to Ben Arnold, where Mr. Gunn has a position in the bank, and she is prncipal of the High School at Ben Arnold. We of course regret for her to leave us but wish her and Homer all the happiness that is in store for them.

Mr. Thomas Batey took a load of pears from Mr. John Ford's last week and sold them out. He did so well that he got another load Friday. and went to try his luck once more.

There are some of our farmers who say that they will get their cotton out this month, but it is impossible to get pickers. Just their own families do the work.

Last Saturday Mrs. Roy Hawbaker came home to her parents, Mr. and Mrs. A. R. O'Neal. She has been off several months with her husband's parents at Tyler, and he is at Wichita Falls.

Mr. and Mrs. Victor Wimberley and son, Marshall of Prospect, spent the day Sunday with their friends, Mr. and Mrs. Sid Hause.

Misses Sophia and Helen Beckhusen of Rosebud spent Saturday night with their grandmother, Mrs. Ashenbeck. They went home Sunday evening, and Mrs. Matula and Marie Eisinger came with the Ashenbeck family to stay a little while. She has been very sick with typhoid fever at her parents' home. Her husband could not be with her as he lives in Dallas.

Mr. and Mrs. John Arledge had friends to come from near Rockdale in their car and spent the day with them.

Mr. Will Addison and wife came Saturday morning about four o'clock and returned home soon that morning with their children.

Mr. and Mrs. O'Neal and family with Mrs. Hawbaker of Prospect spent the day Sunday with the Enoch Fisher family near the Oakdale School house.

Mr. Sid Hause is tickled over his new buggy horse he got last first Monday.

Mr. Jim Sprauldin and Aunt Mrs. Whitworth of Liberty came by Sunday on their way to see relatives, Mr. and Mrs. Clyde Hensley.

Mrs. Leonard Steward and children came home from Mumford Saturday erwhere they had been to see her mother and sisters, Mrs. Belt and Mrs. Smith. She reports herm other getting on nicely.

Mrs. John Wilkerson and little son went Sunday morning to see her mother, Mrs. Hill near Cameron.

Master Ray Thompson was a Cameron visitor Saturday morning.

Mr. Marshall Garner was a Milano visitor Sunday.

Miss Maggie Ruby of Houston spent a part of last week with old time friends in Milano.

Miss Flora Woods of Somerville, one of the Milano teachers was in Milano Sunday on her way to Belton.

Mrs. Albert Martin and brother, Nugent Meadows, returned to their home at Dublin last Thursday after spending a while near Cedar Creek.

Mr. T. C. Woods and family of Cedar Creek has moved his family to Coleman county for another year.

Miss Ruth Burdick left last week for her home in Ardmore, Oklahoma, after spending a while with her old time friend, Mrs. G. W. Mullins.

W. K. Fisher of Dallas is spending a while with his parents, Mr. and. W. C. Fisher at Liberty.

Mrs. M. J. Dunworth and two daughters, Misses Lola and Lila, and son, Gillard, left Monday for their home in Morrison, Oklahoma, after spending a couple of weeks in Milano with old time friends.

Rev. R. C. Weir returned home to Milano from Mangum, Louisiana, where he had been conducting a revival meeting.

Miss Miller of Belton and her sister, Mrs. R. E. Erwin of Fort Sumner, New Mexico, spent a few days last week with their grandfather, Captain Bedell of Milano.

Mr. Ben Shafer and wife of San Antonio, came to Milano to attend the funreal of Dan Newman Sunday.

J. H. Thompson and Mr. Champ. Fisher took a nice little drove of beef cattle to Cameron one day last week.

Mr. John Ford had sold up to last Tuesday $90 dollars worth of pears, and later he sold a wagon load. We do not know just what he got for them.

You are more ambitious and you get more enjoyment out of everything when your blood is in good condition. Impurities in the blood have a very depressing effect on the system, causing weakness, laziness, nervousness and sickness.

GROVE'S TASTELESS Chill TONIC restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

GROVE'S TASTELESS Chill TONIC is not a patent medicine, it is simply IRON and QUININE suspended in Syrup. So pleasant even children like it. The blood needs Quinine to Purify it and IRON to Enrich it. These reliable tonic properties never fail to drive out impurities in the blood.

The Strength-Creating Power of GROVE'S TASTELESS Chill TONIC has made it the favorite tonic in thousands of homes. More than thirty-five years ago, folks would ride a long distance to get GROVE'S TASTELESS Chill TONIC when a member of their family had Malaria or needed a body-building, strength-giving tonic. The formula is just the same today, and you can get it from any drug store. 60c per bottle.

FORDSON
FARM TRACTOR

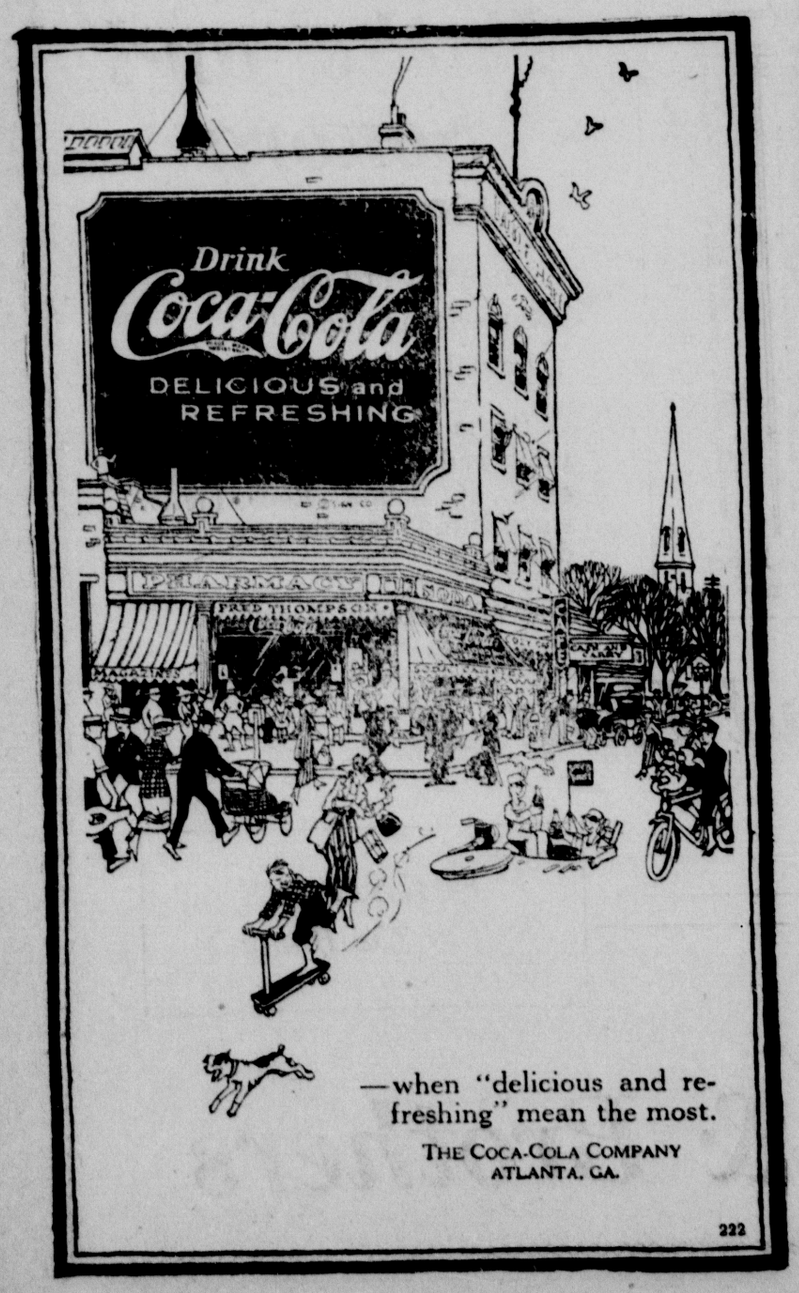

The Fordson cuts the cost of preparing land almost to half of what it cost with horses. But even more important is the fact that the Fordson saves from thirty to fifty per cent of the farmer's time. And time saved—getting fields in shape to plant in the proper season; getting things done when they should be done—means money to the farmer. Besides it helps greatly in solving the labor problem.

As ever, the machine way is proving more efficient, faster, easier than the old way. In the factory, the machine increases production, saves labor—produces more at less cost. And that is what the Fordson does on the farm. The Fordson way is the machine way of farming. Besides it helps the labor problem.

The Fordson's first cost is low; and the after or operating cost is low. It is a compact, easily handled tractor, backed by the greatest tractor service organizaion in the world.

We are Fordson dealers. Not only do we sell Fordson tractors, but we carry a stock of Fordson parts and employ Fordson mechanics to help the farmers get the best results from the Fordson. Let us demonstrate the Fordson on your own farm.

Bold Bandit Who Robbed Bank at Graham Captured; Tells Lurid Tale of Flight From the Law

A confession of his participation in the daylight robbery of the Guaranty State Bank at Graham on Sept 2 in which approximately $7,000 in Leberty Bonds and Currency was stolen by three armed bandits after locking officials and customers in the vault, was made by C. C. Mims, Fort Worth service car driver, at Eastland Friday.

Mims' confession followed twenty-four hours of almost continuous grilling at the hands of Eastland County officials, who were later reinforced by Police Chief Porter and Detective Charles Traxler of Fort Worth.

During the major portion of it, the youthful bandit maintained a stoical silence. But first Friday morning he admitted his identity as Mims. Later he consented to tell all that he knew about the "sticking up" of a poker game at Ranger on Sept. 9, and the similar treatment of the Oklahoma Cabaret there on the same day.

In a running pistol duel between Mims and his confederate, said to have been Roger Thompson of Mexia, and Detective John Barnes of Ranger, the latter was wounded in the face and foot. Mims and his companion were later surrounded in a rooming house and taken prisoner.

Wouldn't Be Squealors

But it was only when he was assured that every precaution had been taken by the authorities against possible mob violence, and that, if necessary, he would be taken to Fort Worth for safe keeping he could be induced to talk of the Graham robbery.

"I've never been a squealer and I don't want to begin now," he demurred, time and again." "I don't deny that I was in the Graham affair, and I don't want to say anything more about it."

In the meantime, however, a fairly complete implication of him had been secured from Mrs. Lily Ella Hamilton, 821 St. Louis Avenue, Fort Worth, arrested with her husband, Dan Hamilton, in connection with the first Ranger hold-up. Mrs. Hamilton told the officers of conversations she had heard between Mims and others, both in Fort Worth and in Ranger, concerning the bank robbery.

"Charley, we've got the goods on you," Traxler finally told Mims. "We know that you pulled off that Graham business. You might as well make a clean breast of it."

This he finally agreed to do, provided he was taken to Fort Worth Friday night and his attorney's consent to his statement obtained. This was secured and Mims then proceeded to narrate the details of the affair.

Job Had Worried Him

"I want to get it off my chest. It's been bothering me all along," he stated. "I guess it means the end of things for me, but I am going to tell anyway."

"It's the best way, Charley," Traxler replied. "You are only 22 years old and there is a chance for you to make a new start provided you really want to and are willing to be fair with us."

"I want to do that," he said simply.

His statement was reduced to writing and later signed by him in the presence of Sheriff Lawrence of Eastland County and Traxler. It is as follows:

"My name is Charley Mims. I live in Fort Worth. On July 25, 1920, I was in Breckenridge and two men came to me and proposed that we rob the Graham bank. I had never seen them before. A little fellow by the name of Frank or Paul introduced them to me. We got in a car and drove out in the country and talked it over. Two or three days after that we drove to Graham and spent the evening and night in Graham and the next day we all three went to the bank—these two men went in first and told me to follow, and I did.

"We covered the people in the bank with pistols, forced them in the vault and closed the door. We got about $3,000 out of the bank in silver, pennies currency and Liberty Bonds. We drove the car about eleven miles and left it and went over the mountains and crossed the Brazos River. We threw some of the silver and pennies away. We then went to some little town about twenty miles out of Graham and I went up and got something to smoke and some eats. The big fellow got a Ford there and went from there to Ranger.

"I quit them there and they went on through Wichita Falls. I got into Fort Worth in the afternoon and had trouble there about 7 o'clock in which I shot a man. I made bond in a short while and spent the night with my father and mother.

"I came back to Ranger last Tuesday."

The confession was signed C. C. Mims. Later he declared the date July 25 was a mistake and that it should have been Aug. 25.

In accordance with the promise made him, Mims was brought to Fort Worth by Porter and Traxler Friday night. On the trip in, he was extremely nervous, especially when passing through Ranger. There was no demonstration against him in the oil town although he sat in plain view of the station crowds. His head was bandaged because of a severe cut received in the Ranger melee following his arrest and he wore no coat.

On the trip he frequently referred to both the Ranger and Graham escavades. His manner was very subdued and the spirit of bravado that has characterized his former appearances in the hands of the police was noticeably absent. No one would have picked him out as the man who has kept the authorities of a score of counties and cities on the alert for more than a week.

Forced to Swim

He declared that the Graham robbery had been pulled off with ease but insisted that the posse that followed him and his companions must have had bloodhounds in order to trail them so easily. Several times the fleeing men were in imminent danger of capture but that at last managed to elude their pursuers by swimming the Brazos River. Mims smiled several times as he narrated incidents of the flight.

"We could see the men in the automobiles following us all of the time. It would have been easy for us to have got some of them as we had high-power rifles. But we didn't want to hurt any of them. All we wanted to do was to get away with the money.

"Several times they almost caught up to us but we managed to keep ahead. Then we decided to leave the car as the chase was getting too hot for us. That was near the Brazos and when we got to the stream they were only a couple of hundred yards behind.

"The river was up, but it was either swim it or put up a fight, so we decided to chance it. First though we unloaded some of the silver and all the pennies we had with us. We couldn't have gotten across with them.

Loses Rifle in River

"I tried to make it with my rifle, but I had to let go of it and I sure thought I was going ta get drowned at that. We finally reached the other bank after going down stream a mile or so and from then on it was easy enough.

Mims declared positively that the total amount secured in the bank haul would not reach $6,000. He got a third as his share of the lot, he declared. He also stated that when they left Graham he and his companions did not have any definite destination.

"We were merely heading for the mountains where we knew we could lose ourselves," he said. "We were traveling by the stars as ye didn't know the directions. We got lost several times and once got back almost where we started from."

As Fort Worth was neared early Saturday morning, Mims became more downcast. He appeared to realize the seriousness of his position and several times remarked on it. Once, after stating that he was only 22 years of age, he declared as he gazed into the outside darkness:

"That isn't very old but I guess it's about all that is coming to me. The rest of my life isn't going to be much for me, I guess.

As he got off the train at Fort Worth early Saturday morning, his father stepped from another coach, having spent the day in Eastland out without seeing his son. As the prisoner left the depot the father walked up to him and silently grasped his hand. Leaning over he whispered something in his ear and then swiftly walked away.

After his arrival here, Mims was taken to the City Jail and placed in a cell. At police headquarters when asked if he had any further statement to make, he pondered for a few moments, and said:

"I'd like to say something but I don't know just how to say it," he finally remarked. "I know things look bad against me and I'm beginning to realize just what it means. Whisky was responsible for most of it. Go as lightly on me as you can in the newspapers.

Faces Three Charges in Eastland

Three charges were placed against Mims in Eastland, Friday. Two were for robbery with firearms and the other for assault with intent to kill. Robbery with firearms is punishable with death in Texas.

These, however, are only a part of his many troubles. At the time of his arrest for the Ranger holdups, he was out on bond here in two criminal cases. One of them is an appeal from his conviction for manslaughter at the April term of Criminal District Court for the killing of Ralph Fitzgerald last December. The jury assessed his punishment then at five years in the penitentiary. He is also under a $2,500 bond on a charge of assault with intent to kill in connection with the shooting of J. L. Robertson on Main Street last Saturday night. In addition to these he will probably face another charge of robbery with firearms in the Graham affair.

The Eastland County Grand Jury took up the case of Mims and the others arrested in Ranger, at its sesion Friday and indictments are expected eithr Saturday or Monday. Roger Thompson, arrested with Mims, is charged with in two cases of robbery with firearms and one as assault with intent to murder.

Dan Hamilton and his wife, Mrs. Lily Ella Hamilton, also held in the Eastland jail, are facing a charge of robbery with firearms. Mrs. Hamilton made a statement detailing her knowledge of both the Ranger and Graham affairs and is being held mainly as a material witness, it was stated. Mrs. Etta Moore, proprietress of the rooming house where all of the accused lived in Ranger, is also held as a witness as is Matthew Martin who was present at the poker game holdup.

Holdup Impromptu

Martin was recognized by Mims during the holdup and several hundred dollars taken from him was returned. It was this circumstance that led to his arrest. Mims declares, however, that Martin had no part in the affair. He also absolves Mrs. Moore and a Ranger detective, arrested there Friday, of any connection with it.

In discussing the second holdup, Mims declared that it was not a prearranged affair as was the first one.

"We were pretty drunk when we went to the place and we proceeded to get drunker after we got there," he said.

"I remember insisting on everybody having many drinks and then I have a hazy recollection of searching some people and taking their money," he said. "I don't know how much we got. I don't guess, at that, it was as much as we spent there. Then I remember having a shooting scrape with somebody but I don't believe I hit Barnes."

He declared, however, that the previous holdup had been carefully planned. He implicated four men besides himself. Two of them, named by him, have not as yet been arrested.

Two more Fort Worth men were taken to Eastland Friday night by city detectives. What connection they are supposed to have had with the case is not known.

Efforts to identify Mims as one of the "trio" that held up a poker session at the Waldorf Hotel in Dallas last week and secured $30,000 in currency and jewelry, failed Friday at Eastland. Two of the victims of the holdup saw Mims but declared he was not one of the trio.

"I didn't think you were the fellow but I thought you might know him," one of the Dallas men declared. "I know him personally. I have been befriending him for the past ten years and that's how he paid me back."

"That sure was a dirty trick now wasn't it?" Mims remarked with apparent feeling. "A guy that would do that is no good. I would never rob a friend of mine, not for anything."

About $7,000 in money and jewelry was selected by the bandits in their two raids at Ranger, it is estimated. Five thousand dollars of this was taken from the poker players in the first one. Close to $2,000 was recovered after the arrest of the suspects.

Needed Money for Trials

Mims attributed his sudden activities in the hodl-up line partly to his need of money owing to his Fort Worth legal difficulties. The expenses of his appeal from the Fitzgerald case conviction and his subsequent arrest in the Robertson case made it imperative for him to raise money immediately, he declared.

Fort Worth police authorities were especially gratified over Mims' confession. Since his arrest last Saturday when a large roll of bills of small denomination, similar to the money taken from the Graham bank, was found on him his connection with the case has been suspected. Mims' statement admitting this was secured by the efforts of Porter and Traxler after their arrival in Eastland Friday.

An active search for the accomplices named by him in both robberies is already under way. One of the men is well known in Fort Worth and has made his home here for years.

BLAYLOCK RESIGNS PASTORATE HERE

Becomes Evangelist at Fort Worth Seminary Is Man of Scope and Ability.

Rev. B. B. Blaylock, for nearly five years pastor of the Cameron Baptist church, has resigned the pastorate here and on October first will assume his new duties with the Southwestern Baptist Seminary at Fort Worth as an evangelist.

The resignation of Rev. Blaylock as pastor of the Baptist church in Cameron which was tendered the church at the regular service hour Sunday is accepted with reluctance in the part of the church and will be received with universal regret by all Cameron and Milam county.

After nearly five years of fruitful ministry in Cameron during which time his activites have embraced adjoining counties, his resignation will develop wide-spread loss to the religious life of Central Texas the section in which he has spent twenty-five years as pastor.

Rev. Mr. Blaylock came to Cameron from Rockdale five years ago and at that time an effort was made to secure his services as an evangelist with the Southwestern Baptist Seminary in Fort Worth. Evangelistic work has always appealed very strongly to him he obeyed the inspiration of a strong impulse to preach in Cameron and therefore accepted the pastorate here. His work in Cameron is exemplified in the universal esteem in which he is held by the church and the citizenship at large.

On assuming his new duties with the seminary in Fort Worth he will begin a revival meeting of all the Baptist churches in Fort Worth and with this responsible and gigantic task he will move out in his new program of work with all his characteristic vigor and ministerial genius.

The Rev. Mr. Blaylock as a pastor and evangelist now has claims to a wide distinction. His life has been more than that which belongs to the peculiar confines of the pulpit. He is eminently a citizen of progressive and constructive type and by this applicaton of his conception of public life and duty has pushed far into the realm of accomplishment and leaves a monument of things done in a big and lasting way.

Rev. Mr. Blaylock has enjoyed wide educational advantages but always at the cost of sacrifice and while endowed with a retentive memory and large capacity for learning he knows the exactions of the struggle for a place in the sun. To him the ministry has meant denial and self-sacrfice for in the business world he could have stood at the pinacle but the call came to preach and in following the plain path of duty the ministry claimed a man of scope, intellect and fine character. To him the ministry and evangelism to which he will now turn his heart and mind is the biggest job in the world and whatever accomplishment has adorned his work is stamped with vision and expansion.

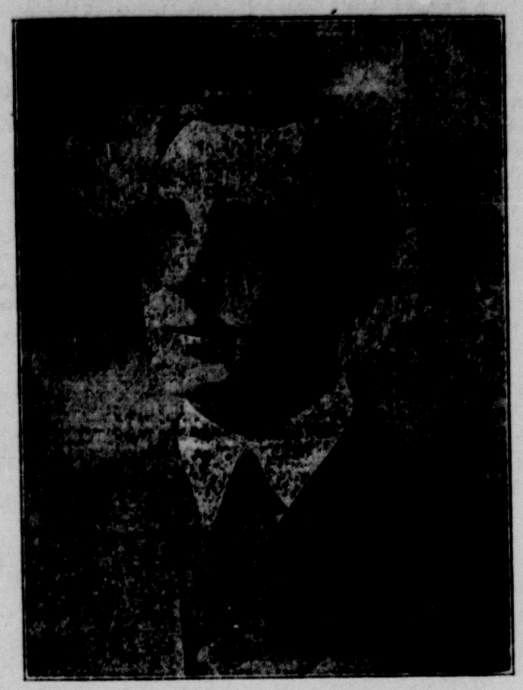

Rev. Mr. Blaylock was born in North Carolina in 1872 and to him the Southland and her cherished traditions is the fairest domain of this republic. He came to Texas in January 1890. He was converted and licensed to preach in 1893.

He was married in January 1895 and ordained to preach in April 1896. He attended school for four years after his marriage, spending three years in Baylor University and Seminary.

His entire ministry has been spent in Milam, Bell and Williamson counties. He has been a pastor for twenty-five years but has done a great deal of evangelistical work in addition to his pastorate duties. Durng the twenty-five years he has held seven pastorates, two of them in Milam county in Rockdale and Cameron.

He has preached about 3000 times, has baptized about 2000 people and has had more than 3000 conversions under his ministry.

He will preach in Cameron until October first, when with his family he will move to Fort Worth. Already the Seminary is booking dates for him for meeting not a few of which are in other state. His career as an evangelist will be followed with interest and the people of Cameron and other places where he has lived will ever be prayerfully solicitous for continued success and usefulness.

REV. B. B. BLAYLOCK

Rev. B. B. Blaylock has been pastor of the Cameron Baptist church for the past five years. He has resigned the pastorate here to become an evangelist with headquarters in the Southwestern Baptist Seminary in Fort Worth. His resignation becomes effective October 1.

Your visit to Howe's Great London Circus, Wednesday, Sept. 22 afternoon and evening in Cameron will not be complete without a tour of the colossal canvas equerry. Even though you are not a lover and admirer of blooded stock, it is claimed you will find an hour of genuine pleasure and much interest you inspecting the droves of horses and ponies. For the last year agents have been in different parts of the world making purchases for this department, with the result that today Howe's Great London Circus possess one of the largest most varied and costiest collection of representative members of the equine family, which wealth can procure, and it is doubtful if anywhere near the like ever has been exhibited before. Certainly never by any traveling shows. There are herds of powerful block Normans, sturdy western and Canadian drouths, coquetish Arabians English bred long distance, jumpers, fleet-footed Kentucky runners, wild speeding Roman chariot flyers, tiny Shetlands, Welch and native ponies and other high grade specimens of Earth's finest horseflesh, Ladies and children are particularly invited to visit this horse fair, which all may safely do without escort as uniformed and courteous attendants are always present to look after the welfare of callers.

If your back hurts you. If you have to get up during the night, try Rucker's Korak Wonder. It has relieved thousands and may do the same for you. It will be sold Friday night at the free show in the Court House Square at an advertising price.

End Your Gate Troubles

No more heavy, tumble-down, sagging wooden gates. No more bent and twisted gas-pipe gates. Put up "Can't-Sags"—made of an ideal combination of iron and steel bolted securely together—no screws or nails to pull out. When closed and latched, the "Can't Sag" Gate is securely locked at both ends—stock can't break through and destroy growing crops.

"Can't-Sag" Gates

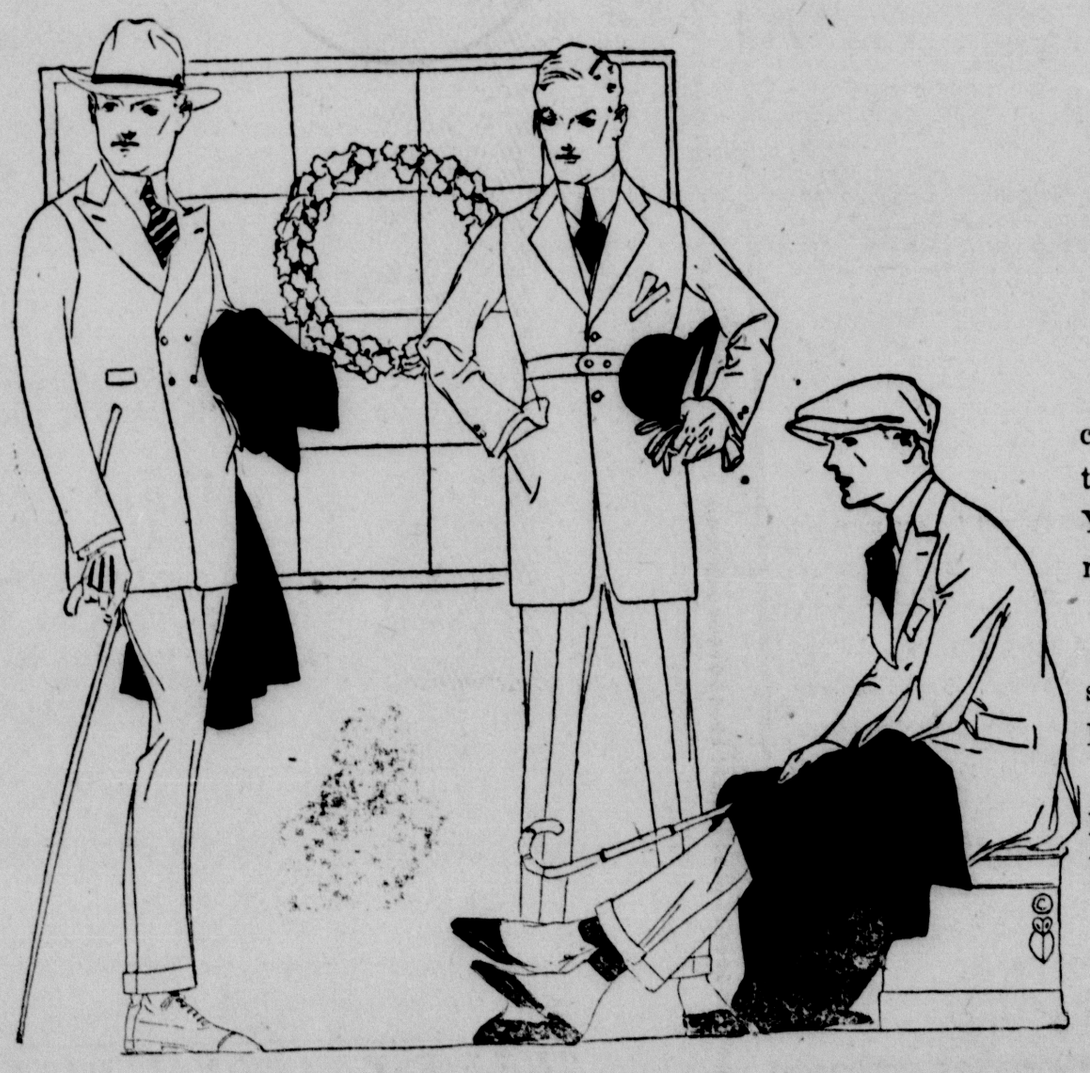

Can't Sag a Fraction of an Inch

In order to sag even a quarter of an inch, 45 bolts and 8 pieces of angle steel would have to bend. You know that is impossible. Yet, this ideal gate costs less than the old-fashioned kind. Thousands are in use on large and small farms everywhere. Drop in—see these gates when in town.

AT THE CHURCHES

PREACHING AT TRACY

It is announced that preaching will be held in the Tracy Baptist Church Sunday, September 26 at 4 p. m. Everybody is invited to attend.

BAPTIST CHURCH ANNOUNCEMENTS

Services at the Baptist church next Sunday as usual. The pastor will speak both morning and evening. The public is cordially invited to all these services. Visitors especially invited.

B. B. BLAYLOCK, Pastor

FIRST METHODIST CHURCH

My subject Sunday morning will be "Faith in God." This is plain and straighforward without any frills and furbelows. It can be and has been clearly demonstrated that the social and economic fabric of the world is based primarily, not upon the written agreements or monitary ability that may exist of whatever form. but upon the faith or the confidence that we have in men. It will be our purpose to notice this fact briefly.

But I desire mainly to speak of the factor which faith in God is in our life. Is it a factor? If so, to what extent? When may a man be said to have faith in God? These and other similar questions will be considered. Every man in Cameron owes it to himself and to his country whether a member of the church or not, to give this subject earnest consideration. You are warmly invited to be present at eleven o'clock.

At the evening hour, 7:45, I will present the "Claims of the Ministry." I especially invite the young people of Cameron to hear this message.

IRA F. KEY.

EPISCOPAL CHURCH

Services will be held in the Episcopal Church Sunday morning at 11 o'clock. Everybody invited.

METHODIST CHURCH

Services will continue to be held in the Methodist church until construction has actually started on the new building. Some of the seats have been sold but enough has been retained for the main auditorium to accommodate the preaching services.

The hall formely leased by the American Legion has been rented by the church and services will be held there after the old church is torn down.

SCHOOL STARTS

By Lee R. Tag

School started last Monday. Some pupils were glad, some were mad and some were indifferent. I was numbered with the glad ones. I was glad glad because I could come in contact with the other boys.

Monday, the first day, we went and were assigned to our respective classes and got our books which the State furnished. They didn't furnish many because I had to buy a whole bunch of them. We had no lesson that day, but let me tell you the "Fish" got theirs.

I was sitting next to one in the room and whenever he tried to turn around he would raise up. I asked him the reason for such queer actions and he replied that he was sitting on fire all the time and that if he turned around without raising up he would be in h——l. I know the boys got theirs. I don't know about the girls. I am not especially rough on the weaker sex but I wish they had gotten theirs.

Tuesday was really the first day for honest-togoodness work. We got it too. It has always been the custom before this to make it easy the first day and hard in the middle, but this time they didn't do it. Maybe they will make it easy in the middle of the year. I hope so, anyway.

There are three new teachers in High School and so far as I know they are pretty good. Here's hoping they are.

The only thing that marred the serenity of the opening day was a fight between two grammar grade boys on the campus. But their differences were soon adjusted and went on as if nothing had happened.

If the Cam-Hi Weekly News does not come out this year you are missing some of the greatest literary products ever put out. Here's hoping that Volume three of the News will come out in full force next week.

The drug stores around town are doig a thriving business this week because the school children are buying their supplies.

The Henderson building across from the Auditorium Hotel is rapidly changing outside appearance. It will be the home of a new motion picture house owned by the Texas Photo Play Association.

Work is progressing rapidly on the C. H. Yoe High School Building and it is hoped by the contractors that it will be ready for occupation by November.

Last Sunday was the last Sunday that the members of the Cameron Methodist Church spent in the old church. Workmen are taking apart the seats, ready for shipment. In a few days the church proper will be torn down.

The new home of R. H. McIntosh is about ready for occupation. It will be one of the finest homes in Cameron.

The rubber companies report for the current year such an enormous increase in the demand for fabric shoe with rubber soles that their factories with a stimulated production greater than ever before are unable to cope with their orders. This great increase in business of this character is due to the improvement in style and quality and due also to the extreme cheapness of the product as compared with leather footwear.

One bit of fiction that has gained wide circulation isthat rubber sole shoes hurt the eyes. Where this fairy tale originated is doubtful, but it has persisted for many years. After exhaustive investigation it has been proved that there is no basis of truth for a thought of this kind.

Another stock argument that rubber sole shoes burn and draw the feet has been discounted. In the better grades of shoes of this kind a heavy fibre inner sole is used with a ground cork filling between the inner sole and the outer sole, thus gibing the same protection against burning as is found in the best made leather shoes. In the other grades a heavy felt or fabric combination inner sole is used.

SAN GABRIEL GOSSIP

By Mrs. J. S. Woody

San Gabriel 14th—Ideal weather for the autumn season has prevailed the past week and has indeed been a favor to the farmer.

Great headway has been made in the gathering of cotton and the Camp gin is kept busy until far into the night.

Yet there are many who have no hands for the large fields of the fleecy staple that adorns the hillsides and valleys—every direction we look.

Miss Mona Outlaw of Taylor spent Sunday at home here.

H. M. Camp was in Terrell a day last week.

Elbert Felton is in South Texas this week.

Miss Ella Yeager left Monday to take up her work as public health nurse of Donley county.

Rev. Herndon of Taylor, accompanied by his wife, was with us Sunday evening. Rev. Herndon was requested by our people to deliver the "going away sermon to our girls and boys who leave immediately for college. His talk was impressive and splendid and appreciated by all.

Mrs. Herndon and Miss Mittye Lou Jones of Temple sang in the manner most charming the sweet hymn. "My Mother's Prayer Will Follow Me."

Mr. and Mrs. Arthur Scruggs, Mr. and Mrs. Sam Clement, Chas. Sallee and sister, J. B. Reeves and family, eand Adolph Taegle were here from Thorndale Sunday night.

Misses Hyde of Thorndale, were guests in the home of friends here Sunday.

J. D. Griffith and J. S. Woody are in Houston this week in quest of cotton pickers.

Felton Camp returned Monday from a search for hands in different points of State.

Little Miss Lucile Camp has been listed with our sick the past week.

Mr. and Mrs. Frank Smith of Taylor were visitors in our village Sunday night.

Tom Davis of San Angelo is among relatives and friends here at present.

DeLeslie Richardson spent first of this week in Rockdale.

Max Greathouse of Rockdale came up Saturday to visit his sister here, Mrs. Lindsey.

Mr. and Mrs. Bradley of Rockdale, were guests of their daughter, Mrs. Lizzie Cast Sunday.

The Ladies' Aid of the San Gabriel Baptist Church held their social meeting Monday afternoon in the home of Mrs. Mary Richardson. The devotional was of great interest and the program much enjoyed by each member. Refreshments served, cream and cake.

Our village gin totaled 360 bales in its work last week and has ginned 950 bales for the seasan at the close of Saturday's output.

Floyd Goff, who is now working in Thorndale, spent the Sabbath here with his parents.

Miss SuElla Glasscock, who has just returned from her summer's visit to relatives in Indiana is looking very much improved from her trip.

Mr. and and Mrs. Harry Gamble are the happy parents of a new baby girl born Monday.

Mr. L. Goss was in Taplor Monday.

Dr. Lee was over from Thorndale Sunday.

Mesdames John Heisch, John Moore, Joe Stigall, Lizzie Cast, Tinny Lindsey. Edna Felton. Jno. Kulp were shopping in Thorndale Saturday.

Our village was entertained by a tent show Thursday and Friday nights.

Pains Were Terrific

Read how Mrs. Albert Gregory, of R. F. D. No. 1, Bluford, Ill., got rid of her ills. "During . . . I was awfully weak . . . My pains were terrific. I thought I would die. The bearing-down pains were actually so severe I could not stand the pressure of my hands on the lower part of my stomach . . . I simply felt as if life was for but a short time. My husband was worried . . . One evening, while reading the Birthday Almanac, he came across a case similar to mine, and went straight for some Cardui for me to try.

TAKE

CARDUI

The Woman's Tonic

"I took it faithfully and the results were immediate," adds Mrs. Gregory. "I continued to get better, all my ills left me, and I went through . . . with no further trouble. My baby was fat and strong, and myself—thank God—am once more hale and hearty, can walk miles, do my work, though 44 years old, feel like a new person. All I owe to Cardui." For many years Cardui has been found helpful in building up the system when run down by disorders peculiar to women.

SHERIFF'S SALE

THE STATE OF TEXAS,
County of Milam.

By virtue of a certain execution issued out of the Honorable District Court of Milam County, on the 24th day of August, 19....., by Penn Wolf, Clerk of said Court against M. A. Johnson for the sum of Fifteen Hundred Eighty-six and 11-100 ($1586.11) Dollars and costs of suit, in cause No. 7790 in said Court, styled W. C. Phillips versus M. A. Johnson and placed in my hands for service, I. L. L. Blaylock, as Sheriff of Milam County, Texas, did, on the 4th day of September 1920 levy on certain Real Estate, situated in Milam County, described as follows, to-wit: Lot No. 3, in Block No. 3 of the Newton and Johnson Addition to the town of Thorndale, Texas, same being the northwest quarter of Block No. 3, and being in the J. J. Liendo Survey in said Milam County, Texas, and known as the Johnson rent property and being the property of M. A. Johnson, the defendant in execution and levied upon as the property of said M. A. Johnson. And on Tuesday, the 5th day of October, 1920, at the Court House door of Milam County, in the city of Cameron, Texas, between the hours of ten A. M. and four P. M. I will sell said real estate at public vendue, for cash, to the highest bidder, as the property of said M. A. Johnson by virtue of said levy and said execution.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Cameron Herald, a newspaper published in Milam County.

Witness my hand, this 4th day of September 1920.

19-4t L. L. BLAYLOCK,
Sheriff Milam County, Texas.

BUCKHOLTS NEWS
By Audrey Criswell

Buckholts, Texas, Sept. 14.—Mrs. Allen Mowdy and children have returned from an extended visit to relatives at Abilene, Winters and other points.

Mr. Henry Pattillo was home during the week end to see home folks. He is taking treatment at the Temple Sanitarium and expects to be able to come home to stay in a short time.

Mr. Ed Kolba was in Rosebud last week.

Mrs. Stanley and three children left Sunday for Cameron where the children will attend school.

Miss Aubyn Hitt left Thursday for Baird to take up her duties as a teacher in the High School at that place.

Mr. Rufus Brown made a business trip to San Antonio last week.

Mr. Minnocks has given up his place as manager of the Batte gin at this place. His place was filled by Mr. Henry Horstmann.

Mrs. Alex Henderson has returned from a several weeks stay with relatives at Lorenzo.

Miss Minnie Nell Blaylock of Cameron was here a few days last week visiting in the home of Mr. and Mrs. W. E. Coley.

Mr. Ben Oliver is in Cameron where he will attend High School this year.

Mr. Willie Watson of Houston was here last week on business.

Friends will be interested to learn of the marriage last Sunday of Mr. Hubbard Slone and Miss Ailsie Bryant, both residing near this city. Mr. and Mrs. Slone will occupy the attractive new home that has just been completed for them on the farm about two miles north of town. Mrs. Slone has taught school in this and other counties and has made a splendid teacher. She graduated this summer from the Normal at Commerce. Mr. Slone is a prosperous and substantial farmer of this community. This couple have the hearty congratulations of their many friends.

Messrs. Rylander and Hilary Stedman of Cameron were here Monday on business.

Workmen have almost completed the pretty new home for Mr. and Mrs. E. H. Geisman. The home is being constructed on their farm about one mile south of town. As soon as the inside work is finished up they will move into the house and rent their home in town.

TOM MILTON PREMIER AMONG RACERS FOR U. S.

Tommy Milton took the lead for premier racing honors of the 1920 season by winning the 225-mile Uniontown race on Labor Day, when he catapulted his grey Duesenberg around the steep board oval in two hours, twenty minutes and twenty-four seconds.

Milton was wildly cheered by 50,000 speed-loving fans as he broke the record of 94.9 miles made by himself last June. The St. Paul boy averaged 96 miles an hour for the race.

Jimmy Murphy in his Goodyear-equipped Duesenberg, finished second, a lap and a half behind his teammate, after one of the most thrilling duels every staged on a track. The veteran, Eddie Hearne, drove his Revere into third place twenty-four seconds ahead of Eddie O'Donnell, who placed his Goodyear-equipped Duesenberg fourth. Gaston Chevrolet brought his Monroe in fifth, Eddie Miller secured sixth place in a Duesenberg, and Waldo Stein finished last in his Frontenac.

The race was the most thrilling of the year and kept the spectators breathless at many narrow escapes from disaster. Previous to the race L. Corum, Corum, who was to drive his Frontenac in his maiden race, skidded on the steep turn and slid to the infield fence, bending a spring so badly that he was unable to start. Ralph De Palma's jinx was busy and a broken piston prevented him from starting.

The most sensational incident happened on the the hundred and eighteenth lap when the cars of Chevrolet and Stein locked wheels on the steep curve when the former was about to pass his team-mate at 94 miles an hour. The two cars skidded, turned five complete circles each and slid to the infield fence. Spectators rose to their feet en masse, breathless until both cars came to rest. Then cheers of relief mingled with admiration at the wonderful exhibition of driving skill that had brought both racers to safety. When the cars arrived at the pits it was seen that almost every spoke in Stein's right rear wheel had been ripped loose.

The duel between Milton and Murphy was the most sensational seen this season. Beginning at the 105th mile, Murphy took the lead and kept it for nearly forty laps, both drivers driving at 97 miles an hour regardless of their lives. Then Murphy was forced to the pits long enough for Milton to gain the margin that gave him victory.

Milton now leads Gaston Chevrolet for the title of "Speedway King," but the championship for 1920 will be settled at Los Angeles on Thanksgiving Day.

BODY OF DALLAS MAN IS TAKEN FROM BRAZOS RIVER

Waco, Texas, Sept. 12.—The body of Hassell Brewes of 212 Center Street, Oak Cliff, Dallas, 24 years old, who was drowned in the Brazos River near Chalk Bluff, six miles north of Waco, last Monday near Cottonwood Creek, eight miles below Waco. Persons on one of the wagon bridges across the river here observed the corpse floating down-stream early today. A motor boat was secured, the crew of which took the body from the water. Identification was established by means of a bathing suit on the body, which the young man wore when he was drowned.

Brewes met his death in an attempt to save his cousin, Alfred Rose, aged 20, when the latter was caught in an undertow. Rose was rescued by his father, J. S. Rose. At the time he lost his life Brewe's wife and little daughter were on the bank among the witnesses to the tragedy. The dead man had been a resident of Dallas about three years and was a senior in the Baylor College in that city. The body will be sent to Hillsboro for burial. Besides his wife and daughter, Brewes is survived by his mother and one brother, who resided with him in Dallas.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. BIRTHDAY PARTY

After a long waiting each little child's birthday comes around and this time little Mildred Clinton was the havpy little girl Wednesday afternoon at five o'clock. Thirty little boys and girls came and as they presented their gifts of love they wished Mildred many happy good things for the coming years.

All kinds of delightful games were played on the lawn, then Mrs. Clinton had an interesting jelly bean contest. There were one hundred and thirty beans in the little jar and Hortense Klawansky carried off as a prize the little jar of beans, having guessed the number exactly.

As a substitute for the "Donkey's tail" a beautiful kewpie was prepared and as the children were blindfolded they had to try to pin its hat on. Herbert Freeman was the successful one and was given a box of colored crayons.

A table was prepared on the lawn with the birthday cake as the centerpiece. Pink and blue candles and ferns decorated the table and cake.

In the cut Ethel Collins got the ring, Cora Barmore, the thimble, Billie Sanders the dime, and Andrew Freeman the button.

It is needless to say that these children were thoroughly happy as they enjoyed this party and ate cake and cream.

BIRTHDAY DINNER

Mrs. Oxsheer Smith entertained most charmingly last Thursday evening with a dinner in honor of Mr. Smith's birthday. Around a perfectly appointed table the following guests enjoyed a delicious chicken dinner.

Messrs. Ben Atkinson, U. S. Hearrell, James Watson, H. F. Smith, Jr., William Rogers, Arthur Baskin, L. T. Lewis, Dr. VanZandt, F. Fahrendorf, Hubert Hefley and Monta Thomas.

BIRTHDAY DINNER

Last Friday afternoon little Miss Imogene Sapp celebrated her seventh birthday.

This time little Imogene wished to feel that it was "more blessed to give than receive" and asked her little friends not to bring presents.

Twenty-two little boys and girls came to enjoy several hours with her and she took charge herself and led the afternoon's pleasure.

A musical program on the player-piano came first in which each child played a piece; even four year old Pope Sapp.

Then came the pinning the tail on a huge giraffe. Margaret Key and four others pinned the tail right, so Margaret was given a box of animal crackers and she gathered the others about her and divided. Margaret Key recited several pieces for the pleasure of the other children.

The big white cake with seven candles was cut and served with cream. the ring falling to Dora Emily Moore and the thimble to Elsie Blaylock.

SIGMA PHI--KILLKARE

Mrs. Lloyd Mitchell was charming hostess last Saturday afternoon to these two interesting clubs, which have practically merged into one.

Nearly all the members were present, and although it was warm they enjoyed the usual needle work. Mrs. Jeff Avera rendered several delightful selections on the piano.

One feature of the decoration in the home was a vase of marigold. The vase was one brought from France to Mrs. Mitchell by her husband. It was made of a large cannon shell. made and carved by German prisoners. Engraved on one side was the Coat of Arms of France and on the other 1918-'19.

A delicious salad course was served consisting of chicken salad, pear salad, crackers, olives and ice tea.

Those present other than club members were: Mesdames Jeff Avera, Dan Tyson, Misses Eatna Smith, Susanna Jackson and Sallie Kate McLane.

BIRTHDAY PARTY

Master Pope Clayton Sapp was four years old last Saturday and not unlike those of twice his age, he wanted a party. Miss Louise Stribbling came over and assisted Mrs. Sapp entertain twenty-two tots of Clayton's age. They played games on the lawn and tried all of the presents which were many, from tops, balls. wagons to a real live Persian cat. And when the big white birthday cake with four pink candles was brought out their joy knew no bounds.

The ring fell to Francis Tucker, the thinmble to Alice Green, the dime to Ernest Sharp.

Cream was served with the cake and many little four year olds had a wonderfcl story to tell on their way to "Shut Eye Town."

Mrs. Wallace Paul and little son of Rockdale. came for the party and she, with Mrs. E. A. Sharp assisted Mrs. Sapp.

PRESBYTERIAN MISSIONARY SOCIETY

This Society met at the church Monday afternoon and had an interesting lesson led by Mrs. Graham Gillis, the Foreign Missionary Secretary.

Mrs. C. W. Lawrence read an interesting paper and Mrs. Henry MacFadyen read several Japanese poems which added much spice to the meeting.

METHODIST MISSIONARY SOCIETY

Owing to the removal of the seats from the Methodist church the ladies met at the Parsonage. There was a good attendance and the Study Circle was led in a very interesting lesson by Mrs. Tag.

BAPTIST MISSIONARY CIRCLES

The several circles of Missionary workers in this church met with Mesdames W. H. Henley, J. M. Ralston and Bailey. All these report good attendance and interesting programs.

MRS. ROY BASKIN ENTERTAINS

Tuesday afternoon Mrs. Roy Baskin invited the Sigma Phi and Killkare clubs in to meet her guest, Mrs. F. D. Guimarin of Sterling City, and Miss Rosine Ledbetter of Yoakum.

Pink and white roses in baskets and vases made the reception suite attractive. It was a "get acquainted" party, so pleasant conversation and music on the Edison were enjoyed.

Mesdames John Denson and Tom Denson assisted Mrs. Baskin in serving delicious ice cream and cake.

AT THE MANSE

Tuesday at high noon Mr. Powell of Add Hall and Mrs. Dockery of Keene, were united in the holy bonds of matrimony, with Rev. Henry MacFadyen officiating.

The happy couple left at once for their future home at Add Hall. The Herald and other friends wish for them much happiness.

HOLDER-- McANALLY

A marriage of interest to all of Cameron people was one that took place in the home of the bride's mother in Dallas.

Miss Iris Holder and Mr. Dwight McAnally were the contracting parties with the Senior Pastor of the First Presbyterian church, Rev. Wm. M. Anderson, D. D., officiating. The impressive ring ceremony was used.

This union was the outcome of a beautiful romance which dates back to the childhood of both in the Odd Fellows' Home in Corsicana.

The bride is a beautiful and accomplished young lady.

Dwight McAnally was born and reared in Cameron. Graduated from the Odd Fellows' Home and from the Metropolitan Business College at Dallas and has a splendid position in the Insurance business. His father was once editor of the Herald. Dwight made his home with his sister Mrs. Lee Batte, Sr.. for quite a while and worked for Mr. Batte.

The young couple now reside at 3234 Cole Ave., Dallas.

The Herald and hosts of other friends wish for them all the good things of life.

HOUSEWORK IS BURDEN

Woman's lot is a weary one at best. But with backache and other distressing kidney ills life indeed becomes a burden. Doan's Kidney Pills have made life brighter for many Cameron women. Read what Mrs. Martha Moore, E. 2nd Street, Cameron, says: "For a great many years Doan's Kidney Pills have been my standard medicine for kidney complaint. I have taken Doan's when my back and sides have been so lame and sore that I couldn't do my housework. When my kidneys were irregular, I would get dizzy spells when stooping that just blinded me. That condition made me nervous. I felt out of sorts. When I had attacks of that kind, I took Doan's Kidney Pills and about one box of them strengthened my kidneys and restored by to good health. I very gladly recommend Doan's Kidney Pills to anyone."

Dr. George VanZandt spent Sunday in Granger visiting relatives.

LOCAL WOODMILL IS BOOSTING TIMBERS

R. H. REDFIELD AND SON SEND TRUCK TO CORYELL COUNTY WITH PRODUCTS FROM SHOP HERE

R. H. Redfield and Sons operating an electric saw and wood mill in Cameron will soon begin the erection of a modern new building to house the business on acreage property recently purchased in the eastern section of the city.

The new building will be 60 by 80 feet in size or more than four times the size of the present building. In addition to this firm will add more equipment and will make the mill the most efficient and best equipped industry of its kind in Central Texas.

The contract for this new building has been awarded but the construction is being delayed pending the final arrangement of papers covering the purchase of the acreage.

The growth and development of this business is a distinct boost for hardwood timbers in Milam county. Along the streams of the county large timber is found in marketable quantities. The Redfield mill cuts and hauls its own timbers, now operating trucks to the timber sections.

The Redfield mill makes a specialty of truck bodies. but is turning out a vast quantity of other vehicle products.

Putting Milam county in the eyes of the people as a timber producing county from which is being manufactured in vast quantities many of the necessities for constructing vehicle bodies and other useful wood products, R. H. Redfield & Son of Cameron made a trip with one of their large trucks this week to Copperas Cove on the Santa Fe in Coryell county to deliver three articles of timber from their mill here.

The truck before entering on its journey was covered on the sides with large streamers advertising the hardwoods of Milam county and the products being manufactcred by R. H. Redfield & Son here.

Mr. Redfield has developed a great industry in Cameron and is finding an expanding market for the wood products manufactured here. Orders for truck bodies and other vehicle products are being received from adjoining counties and expect to complete long planned extensions to his present mill within a short time so as to be able to better handle the large volume of work received.

IF KIDNEYS ACT BAD TAKE SALTS

Says Backache is Sign You Have Been Eating too Much Meat

When you wake up with backache and dull misery in the kidney regions it generally means you have been eating too much meat, says a well-known authority. Meat forms uric acid which overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and loggy. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels; removing all the bod's urinous waste, else you have backache, sick headache, dizzy spells; your stomach sours, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediments, channels often get sore, water scalds and you are obliged to seek relief two or three times during the night.

Either consult a good, reliable physician at once or get your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithit, and has been used for generations to clean and stimulate sluggish kidneys, also to neutralize acids in the urine so it no longer irritates, trus ending bladder weakness.

Jad Salts is a life saver for regular meat eaters. It is inexpensive, cannot injure and makes a delightful, effervescent lithia-water drink.

CITATION

To the Sheriff or any Constable of Milam,—Greeting:

You are hereby commanded to summon Beatrice Davis by making publication of this citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your county, to appear at the next regular term of the District Court of Milam County, to be holden at the court house thereof in Cameron, on the 6th day of September 1920, the same being the 1st Monday in September 1920 then and there to answer a petition filed in said court on the 25th day of August 1920, in a suit, numbered on the docket of said court No 8249, wherein L. C. Davis is plaintiff and Beatrice Davis is defendant said petition alleging: The statutory grounds of three years' abandonment and praying for a divorce.

Herein fail not, but have before said court on the said first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Witness, Penn Wolf, Clerk of the District Court of Milam County, Texas.

Given under my hand and the seal of said court, in Cameron, this the 25th day of Aug A. D., 1920.

PENN WOLF,
Clerk of the District Court, Milam County, Texas. 18-4t.

Your visit to Howe's Great London Circus, Wednesday, Sept. 22 afternoon and evening in Cameron will not be complete without a tour of the colossal canvas equerry. Even though you are not a lover and admirer of blooded stock, it is claimed you will find an hour of genuine pleasure and much interest you inspecting the droves of horses and ponies. For the last year agents have been in different parts of the world making purchases for this department, with the result that today Howe's Great London Circus possess one of the largest most varied and costiest collection of representative members of the equine family, which wealth can procure, and it is doubtful if anywhere near the like ever has been exhibited before. Certainly never by any traveling shows. There are herds of powerful block Normans, sturdy western and Canadian drouths, coquetish Arabians English bred long distance, jumpers, fleet-footed Kentucky runners, wild speeding Roman chariot flyers, tiny Shetlands, Welch and native ponies and other high grade specimens of Earth's finest horseflesh, Ladies and children are particularly invited to visit this horse fair, which all may safely do without escort as uniformed and courteous attendants are always present to look after the welfare of callers.

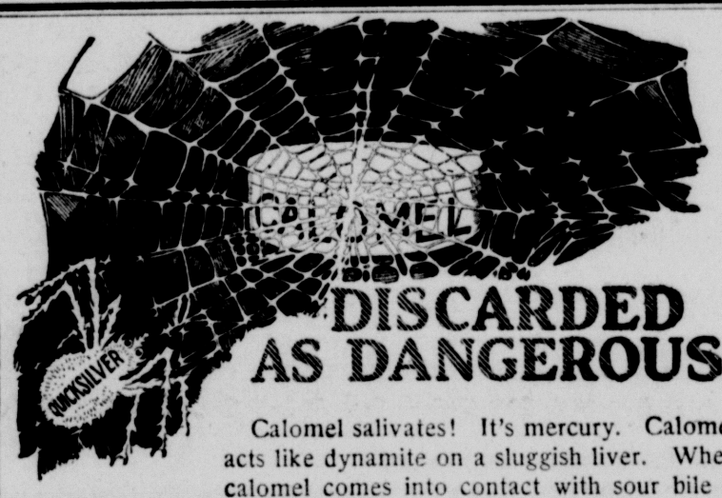

IF BACKACHY OR KIDNEYS BOTHER

Eat Less Meat, Also Take Glass of Salts Before Eating Breakfast.

Uric acids in meats excites the kidneys, they become overworked; get sluggish, ache and feel like lumps of lead. The urine becomes cloudy; the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush off the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from backache, sick headache, dizziness, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad.

Eat less meat, drink lots of water; also get from any pharmacist four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your your kidneys will then act fine. This famous salts is made from the acid of grape and lemon juice, combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine so it no longer is a saurce of irritation, thus ending bladder weakness.

Jad Salts is inexpensive, cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who believe in overcoming kidney troble while it is only trouble.

DISCARDED AS DANGEROUS

Calomel salivates! It's mercury. Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crashes into it, causing cramping and nausea.

Take "Dodson's Liver Tone" Instead!

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tone for a few cents, which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.

If you take calomel today you'll be sick and nauseated tomorrow; besides, it may salivate you, while if you take Dodson's Liver Tone you will wake up feeling great, full of ambition and ready for work or play. It is harmless, pleasant and safe to give to children; they like it.

COTTON PALACE TO AID WOMEN SOLVE DOMESTIC PROBLEM

Labor-Saving Devices and Ways to Prepare Dishes Will Be Shown

Woman and her activities will reign parallel with the farmer and his interests, the music lover and his favorite classics, the social devotee and his functions at the Texas Cotton Palace, Waco, Oct. 30 to Nov. 14 this year.

Under the able direction of Mrs. Lee Davis, general chairman of the women's department, prominent women have been appointed to direct various departments of this important feature of the greater Texas Cotton Palace. Mrs. Davis predicts that never before will the women from adjacent towns and outlying rural sections find so many interesting exhibits and demonstrations.

"We want them all to come in and meet us and talk over their problems with us. We will have experts in domestic science who will be able to solve many problems for them," she says.

Canning Club Exhibits

Canning clubs will send exhibits and specimens in cooking. If your club has not entered an exhibit, you should urge it to do so, as it probably is proficient in some especial manner that will win warm praise for it at the Texas Cotton Palace.

Here's Vogue Feature

Still another new exhibition will be that displaying decorated tables, arrangement of tables of all description having become a vogue among artistic women. Tea tables, library tables, porch tables for decorative use, hall tables, bedside tables, invalid tables and others.

Specimens of cotton modeling this year will be replaced by another feature which will bring out the value of cotton and uphold the tradition of the Cotton Palace in regard to a display of Texas' principal product.

Woman and Her Use for Cotton

A woman's day in cotton is to be displayed, showing how a woman in the course of the day's work finds cotton products indispensable at every turn.

The Better Babies conference is another popular feature.

Another prominent affair is Children's Day, which will come early in the second week. Woman's Day is also being planned on a large scale.

Labor Saving Devices

An interesting display will be the display of labor saving devices, many of which have been placed on the market since the inauguration of the Cotton Palace.

A special showing of lamps and rugs is also being arranged. This will be in line with the arrangement of brasses and tapestries.

TOYLAND AT TEXAS COTTON PALACE WILL AMUSE ALL CHILDREN

So complete are arrangements to make this year's Texas Cotton Palace the most pleasing and successful that even entertainment for the children have been included in the plans. The big exposition opens in Waco, Oct. 30, and closes Nov. 14.

A complete new feature of the program this year, and one that is intended especially to please mothers who will bring small children with them will be "Toyland," an exhibition of toys arranged for the delight of youngsters. It is planned to display all the latest toys, especially mechanical and electrical and others. This department is, as it should be, under the direction of the women's committee.

What's The Cotton Palace?

The Texas Cotton Palace, Waco, Oct. 30 to Nov. 14, is the center of attraction to farmers and townspeople alike this fall. It will furnish instructive entertainment and profitable demonstrations that will help solve the problems of all—the farmer, housewife and business man.

SPECIAL SESSION CALL IS EXPECTED

OPINION ADVISES BOTH MEN AND WOMEN MAY VOTE WITHOUT A POLL TAX

Austin, Texas, Sept. 13.—The opinion of the Attorney General's Department, advising that as a result of the adoption of the nineteenth amendment to the Federal Constitution, all women in Texas who are otherwise qualified to vote may participate in that election without the payment of a poll tax, reached Governor Hobby, late today. The opinion further advised that male inhabitants are still liable for the payment of a poll tax, but failure to pay the same will not disqualify a man from voting who is otherwise a qualified voter.

Governor Hobby received the opinion after 5 o'clock. He had no comment to make, but it is expected that he will tomorrow issue his proclamation convening the Legislature in special session either September 20 or 21. It will be called for the purpose primarily of amending the election laws so as to prevent illegal voting in the November election.

The opinion was written by Assistant Attorney Generay E. F. Smith, assisted by First Assistant Attorney General W. A. Keeling and Assistant Attorney General W. W. Caves, and was in answer to questions propounded by Governor Hobby.

After quoting numerous authorities Judge Smith wrote that "from these decisions, there can be no question but that the adoption of the Nineteenth Amendment to the Federal Constitution has the effect of erasing or destroying the word "male" as used in that provision of our State Constitution already quoted, and which qualifies or describes the kind of a person with reference to sex, who is permitted to vote. From the day and date that the Nineteenth Amendment was declared adopted it had the effect of changing Section 2 of Article 6 of our State Constitution, so that it should thereafter read, "Every person subject to none of the foregoing qualifications, etc"

No Poll Tax for Women

The Texas Constitution does not require, nor is there statute, which requires a woman to pay a poll tax as a prerequisite to exercise privilege of voting at a general election, and it follows all women, who are otherwise qualified, may vote in the general election to be held in November next without the payment of a poll tax.

Considering the question if men, who are otherwise qualified, can vote in the coming November election without the payment of a poll tax, the opinion says the Nineteenth Amendment says nothing about women as such and is equally silent with reference to exercising the privilege of suffrage on account of sex. Having determined that women can vote in the general election without the payment of a poll tax, the opinion holds that the Texas laws which provide in express terms that a male person who is subject to pay a poll can not vote unless he has paid the tax and holds a receipt showing that such tax was paid prior to the first day of February preceding such election, are discriminatory when the same requirement is not made of a woman and the basis of discrimination is one of sex.

Purpose of Amendment

"The purpose of the Nineteenth Amendment was to give the right of suffrage to women. The language in which the amendment is framed prevents discrimination against men as well as against women. No requirement can be made of men that is not made of women with reference to exercising the elective franchise."

"The Nineteenth Amendment has invested the citizens of the United States with a new constitutional right," continues the opinion. "That right is an exemption from discrimination in the exercise of the elective franchise on account of sex. * * * The Nineteenth Amendment gives the women the rights to vote. The protection of the exercise of this right is as necessary to the right of other citizens to vote as to the women and other citizens have an equal right with women to be protected against discrimination. * * * No requirement can be made of a woman that is required of a man and the reverse of this proposition must, of necessity, be true. There can not and must not be any discrimination on account of sex."

No Worms in a Healthy Child

All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS chill TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the Child will be in perfect health. Pleasant to take. 60c per bottle

COTTON PICKING WAGES ROB HOMES OF SERVANTS

Temple, Texas, Sept. 12.—High prices for cotton pickers often $2.25 a hundred has robbed the homes of Temple temporarily at least of cooks and laundresses. Many old faithfuls who have stood by in the face of temptation for years have succumbed to a lure of $9 and $12 a day, more than a week's remeuneration at the tub or in the kitchen. As a result scores of Temple housewives have obliged to resume acquaintance with the washboard and home cooking is in greater vogue than for many years.

SALVATION ARMY LAYS PLANS FOR AFTER WAR WORK

T. F. HARDY DELEGATE FROM MILAM TO CONVENTION HELD IN HOUSTON LAST WEEK

The first Annual Convention of the Salvation Army Advisory Boards of Southeast Texas assembled at 10:00 a. m. at the Rice Hotel in Houston with Attorney J. A. Elkins presiding. The invocation was pronounced by Rev. H. M. Timmons of the Nacogdoches County Advisory Board and those present were welcomed by Hon. A. E. Amerman, Mayor of Houston, in behalf of the city of Houston and the State Advisory Board. In response to Mayor Amerman's address of welcome, Judge A. A. Aldrich of Crockett, Texas, expressed in behalf of the County Advisory Boards their appreciation for Houstonian hospitality and assured the State Board of the willingness to co-operate in the Salvation Army Home Service Program for 1920.

Lieut. Col. George Wood, officer in charge of the Salvation Armp Activities in the Southwest Chief Division delivered an address on the Salvation Army's work among men, describing the relief given through the various institutions including the Industrial Homes, Employment and Missing Friends Bureaus.

Mrs. Adjutant Louis Bennett discussed the work among women and children as rendered through their slum posts, Boys' and Girls' Industrial farms, Young Women's Boarding Homes and similar institutions. This was followed by an interesting address by Ensign Ivy Oldenberg of the work done at the San Antonio Rescue and Fraternity Institution and asserted that this work had been materially decreased in the larger cities due to prohibition. This received prolonged applause from the delegates.

Ensign 'Ma" Burdock of Oversea fame, the only Salvationist awarded the Croix de Guerre was present and gave a very interesting talk on the service rendered by the Army in preserving family unity. Dr. R. W. Adams, Presiding Elder of the Methodist church. paid a glowing tribute to the work of the Army in his very interesting and inspirational address which was followed by the review of confidential studies by Mr. J. A. Elkins, which indicated the urgent need for relief such as the Salvation Army is capable of giving.

The delegates adjourned to the dining room where luncheon was served. Dr. R. W. Adams introduced the luncheon speakers. among whom were W. F. VanBeren, a former officer of the British Royal Flying Corps, and Rev. H. M. Timmons, Pastor of the Presbyterian church at Navasota.

The afternoon session began at 2:00 p.m. and was opened by an address by J. Dixie Smith, Secretary of the Advisory Board who spoke at length on the absolute necessity of the service rendered by the Army and explained wherein service could be rendered by the County Advisory Boards citing many striking instances of the Salvation Army service through county boards of this district.

The State Budgets which had been accepted by the State Board in view of the urgent need for an extension of the institutions and the erection of additional ones in Texas was announced by Mr. J. A. Elkins. A motion was made by Judge A. A. Aldrich and carried that the convention as a whole approve of this action on the part of the State Board; this was followed by the announcement of the quotas as allotted to the various counties all of which were accepted by the delegates of these counties.

Dean J. L. Pritchett of the Walker County Advisory Board gave an inspirational address in which he clearly outlined the unique field in which the Salvation Army functioned and that it did not duplicate the work of other charitable and relief organizations, this was followed by a discussion of the plan of organization for the purpose of raising the necessary funds by F. C. Riegner, Associate Program Director for the Southwest Chief Division. The campaign for funds will be launched between October 4th and 11th.

Lieut. Col. Wood again took the floor and outlined the plans of the Army for a Boys' and Girls' Industrial Home near Hillsboro, Texas, to be located on a large farm recently given to the Army by a citizen of Hill county, who also gave Liberty Bonds to the amount of $35,000. Drawings and plans of the contemplated building was shown to the delegates.

The convention aljourned at 5:00 p. m. leaving with all delegates of the various Boards that they were a part of the most wonderful humanitarian organization on earth.

EXPECT MANY EX-SERVICE MEN AT REUNION OF VETERANS OF NINETIETH

What is promised to be the largest gathering of former members of the justly famous 90th Division. since that organization was demobilized, will be the Second Annual Reunion. to be held in Oklahoma City, September 25, 26 and 27. Special rates of one and one-third round trip fare have been granted by all railroads from all points in Oklahoma and Texas. Date of sale of tickets will be from September 22 to 25 inclusive with return limit of September 29. Identification certificates can be secured from Arthur J. Reinhart, Secretary of the 90th Division Association, Dallas, Texas. Anyone who served, at any time, with the 90th Division is entitled to take advantage of this reduced rate and should write to the Secretary for a certificate. Special trains will be run from main points in Texas and Oklahoma arriving in Oklahoma City, Saturday morning, September 25.

It is expected that Major General Martin, Brigadier Generals O'Neil and McAlexander, will be present. Major Genereal Henry T. Allen who organized the division at Camp Travis and commanded it throughout its fighting, is still in command of the American Army in Germany and is not expected to attend the reunion. Nothing will be left undone by members of the division residing in Oklahoma City, by the American Legion Post, city and county officials and all civic organization in Oklahoma City to make the reunion a big success in every way.

NEEDN'T PAY TEXAS POLL TAX TO VOTE

POLLS WILL BE WIDE OPEN TO BOTH MEN AND WOMEN ON NOVEMBER 12

Austin, Tex., Sept. 13.—All men and women in Texas who are otherwise qualified to vote, may participate in the general election to be held Nov. 2 without payment of poll tax, according to an opinion from the Texas attorney general made public late today by the governor, who declined to comment upon it.

Male inhabitants are still liable for the payment of a poll tax, the opinion said, but failure to pay the same will not disqualify a man from voting who is otherwise a qualified voter. The opinion said that the suffrage amendment is recognized by the federal government as part of the Constitution of the United States and that all states are prohibited from exercising discrimination against citizens who desire to vote and who are otherwise qualified to vote by reason of or on account of sex.

HOPELESS DISEASES CAN NOT BE CURED BY DOCTORS OR MEDICINE

There are some diseases which are absolutely hopeless and past cure by any physician or medicine, but they may be palliated and a medicine, if it does not help in one case, may help in another. To any one suffering from a disease a remission is a degree of health and a medicine that relieves or palliates a disease is of great benefit. We can not guarantee to cure any disease with Number 40 For The Blood, but we quote word for word what the ingredients in 40 are recommended for in the U. S. Dispensatory and New American Materia Medica: "In the treatment of blood troubles an acknowledged remedy among all schools of physicians, removes the cause of disease, stimulates the removal of waste, thus indirectly encouraging nutrition. Disorders of the nervous system demand this remedy, such as neuralgias, chronic rheumatism, gouty conditions, auto-intoxication, constipation. Used with phenomenal success in eczema and skin diseases, lumbago, glandular swellings, ulcerations of mucous membranes and in general disorders of the stomach, liver, kidneys and spleen." Prepared by J. C. Mendenhall, Evansville, Ind., 40 years a druggist. W. S. King, 802 E. 4th St., Pueblo, Col., makes the following statement: "I suffered for a number of years with kidney trouble, sciatic rheumatism and constipation, tried numerous remedies with little or no benefit. I was induced to try Number 40 For The Blood. I found I was benefited from the start, and after taking six bottles received such wonderful and satisfactory results, I am prompted to make this statement." Witness to signature, Edward Reiss, druggist.

Wherever the Howe' Great London Circus has exhibited press and public have been a unit in praising the work of the exceedingly large number of young and handsome women performers: Bevies of the fair sex are represented among the riders, aerilists, contortionists, jugglers, highwire artists, gymnasts, bicyclists, clowns, animal trainers, chariot drivers and in fact even among the ringmasters. As may naturally be expected keen rivalry exists between the lady and gentlemen artists, a fact which greatly enhances their performances. The lengthy imperial program presented this year by these shows contains only the best most modern features that money and labor can procure and in such quantity and variety as to satiate every arenic taste and fancy. Lack of space vents an enumeration of all the different acts, many of which must be seen to be appreciated. There is an extended list, the last of which does not by any means end the pleasures which the Howe's Great London Shows provide patrons, afternoon and evening, Wednesday, Sept. 22 in Cameron.

There are sports of the ancient Rome and modern fete day races and contests. Then the big triple menagerie, forms a zoological display without a peer in all the world. Next is Howe's Great London Circus marvelous museum, in which are exhibited a myriad of human and animal freaks and other attraction. Thus it will be seen that is a royal haoliday feast in store for all who attend this mighty amusement exposition.

CONFEDERATES TO HOLD MEETING

BEN McCULLOUGH CAMP TO REORGANIZE AND SEND DELEGATE TO HOUSTON

Announcement is made by Judge Ed F. English that a meeting of all members of the Ben McCullough camp Confederate Veterans, has been called at the court house in Cameron at 3 p. m. Saturday.

At the present time organization is not perfected and and it will be the object of the meeting Saturday to reorganize and to send delegates to the reunion to be held at Houston this month.

But few of the veterans of gray now remain to become members of the Ben McCullough Camp. The public is invited to assist in making the meeting a success and to aid in every way possible to re-establish the local camp.

Notice to All

I will be in Cameron, Texas, on September 17 and 18 with a car of good mules and a few good horses to sell or trade. Will give time on same if bankable notes are given.

Come everybody and see my stock, if you do not buy. I have been raising mules for twenty years and have always sold to the farmers saving them the profits of the middle man. So if you need anything you will make money on what you buy from me. I will look for everybody on these days I spend in Cameron.

I have 300 head to sell out this fall and winter.

If it is impossible for me to reach Cameron on these days will be there soon after.
